## Change in Academic Calendar for Ipoh International School

There will be a change in the school calendar for the **International School** for the next academic year. The new academic year will start on the **13th of September, 2010**. This change has been made as there are many public holidays from the end of August to the middle of September. With this amendment to the calendar, the Autumn term will now end on **30th November, 2010** so that we can make up the requisite number of school days. There is **no change** in the term schedule for S.R. & S.M. Tenby as most of the trial examinations and government public examinations are on in the month of August and September. The summary of the term is as follows:

School	SR & SM Tenby	Int' Sch (KG, Junior & Senior)
Term begins	16-8-2010	13-9-2010
Mid-term break (Hari Raya Holiday)	4 - 12 Sept 2010	No mid-term break
Term ends	19-11-2010	30-11-2010

*The new calendar for the year is attached.*

### **Safety & Security**

As was mentioned in our previous bulletin, we need to adhere strictly to our gate closure times. A problem area is still the main gate at Jalan Watson which will close at 4.00 p.m. Students who have not been fetched will need to go down to the SR Tenby gate at the Jalan Kelab Golf entrance. No one will be allowed to leave through the Jalan Watson gate after 4.00 p.m. We need the co-operation of all parents to ensure the campus grounds are safe for our children. Please note that no student will be allowed to enter through that gate once it is closed.

### **Electronic Communication**

In our attempt to 'Go Green', we appeal to all parents/guardians to register their e-mail addresses so that we can communicate via e-mail from then on. This bulletin has also been sent electronically to all parents who have registered. We seek your support in reducing the use of paper by receiving circulars/bulletins via e-mail. We hope to be able to phase out the printed form within the next few months.

### **A-Level - June 2010 Intake**

The next intake for our A-Levels programme will be in June 2010. The term begins on 21st June, 2010.

### **Bright Smile project**

As part of our health awareness programme, Year 7 & KBSM 1 students attended a talk on oral hygiene and dental care. A dentist from Pantai Putri Hospital, Dr. Sunita gave a talk which was followed by a question and answer session. The students eagerly asked questions about various issues relating to the topic. Dr. Sunita was very impressed with the enthusiasm of our students and she looks forward to having follow-up sessions with other year groups.
