## Placement of teacher trainees from Stranmillis

We had the pleasure of hosting 5 trainee teachers from Stranmillis University College, Belfast, Ireland from 10th April to 7th May 2010 for their teaching practice with us in Ipoh International School. Two of them, Rachel Green and Michelle Finlay were placed at Kindergarten while Rachel Campbell, Ruth Kearney and Laura Wilson were with Key Stage 1 and 2. These teachers worked collaboratively with our teachers in the teaching and learning of our children. The trainee teachers enjoyed their stay and expressed how much they have learnt from their 4 weeks of training in our school.

Clockwise from top: Laura Wilson, Michelle Finlay, Rachel Campbell, Rachel Green and Ruth Kearney

## PE & Coco

### Attire

Students are reminded to be in PE attire for PE and Coco activities. Please refer to page 21 of our Parent-Student Handbook which states: "Only the Physical Education (PE) uniform is allowed for PE and sports related Extra Curricular Activities (ECA). The PE uniform is not allowed to be worn outside of PE lessons and designated sports related ECA.

### Participation

Participation in class is essential to achieve the learning outcomes of Physical Education. Students who are ill and unable to participate in PE lessons must bring a note from

home or a doctor. For any further exclusion from an activity, a doctor's note must be produced.

### Break and lunch time play

After much negotiation and appeal, break and lunch time play will resume for senior students. Senior students may now borrow equipment from the Student Council to play during lunch time. All students will have to be responsible enough to abide by the rules of play set by the Student Council to continue enjoying this provision.

## Production

Tenby Schools have enjoyed a fine tradition of school productions for the last 10 years beginning with Beauty and the Beast at Taman Budaya. Since then we have Journeyed Through Time, experienced a Night of a 1000 Dreams, entered the world of Nickelodeon and Animania, appreciated our Silver Heritage, Went Around the World on a Musical Extravaganza and finally this year we pay tribute to The Power of the Dream. For some of our students, this will be their 10th consecutive Production. What a treasure-trove of memories, experiences and learning they will take with them when they leave their adolescence behind!
