Dear Parent/Guardian,

**Change in arrangement of classrooms**

We are writing to inform you that we have had to move Year 1 Blue, Year 1 Green and KBSR 1 classroom out of the main Key Stage 1 building due to safety reasons. There are concerns about a beam which has been attacked by termites. The children will temporarily be housed in the adjacent cabins and music room while repair work is being done. We expect to complete the repair work and receive the certification of safety within a week.

You may still drop off and fetch your children in the porch area. The teachers will be there to send the children to the respective classrooms.

We apologise for the inconvenience caused and we thank you for your understanding. Please do not hesitate to contact us if you need further clarification on this matter.

Thank you.

Yours truly,

Mdm Lee Yam Sei  
Director
