**Letter from the Director of Tenby Schools, Penang.**

Dear Parents and Guardians,

Thank you for your participation in our recent Ground Breaking Ceremony

The Ground Breaking Ceremony held last Saturday, 22<sup>nd</sup> May 2010 at Permai Village was a success despite of the intermittent rainfall. The event would not have been made possible without the contributions from students and staff with the co-operation of parents.

The performances by our students were marvellous and helpers did very well. For all of you who have participated in the event in one way or another, I would like to take this opportunity to express my sincere thanks.

Your efforts, contributions and commitment are very much appreciated.

Once again, thank you.

Yours sincerely,

Dr.Goh Kok Keng  
Director of Schools,  
Tenby Schools Penang

Dear Parents

### **New School Uniforms**

The announcement on the introduction of new school uniforms was made in our most recent Newsletter in May 2010. The new school uniforms will be the same for both International and National Schools' students.

The school uniforms for Tenby International School will take effect in September 2010 and Sekolah Sri Pinang (Junior and Senior) in January 2011. The change aims to project common identity across Tenby Schools Malaysia and for a positive and smart image to our students of both the International and National Schools.

However, students will still be allowed to wear the existing uniforms until July 2011 for Tenby International School and December 2011 for Sri Pinang Schools.

The photos below show the new uniforms for the Primary and Secondary boys and girls.

Primary

Secondary

Students are reminded that they are expected to wear their uniform correctly. We would appreciate if parents could help us to reinforce the correct expectations. Students should wear the shirts properly tucked into skirts, shorts or trousers, shirt buttons fastened to the top button, white socks of ankle length and appropriate black shoes, not sneakers, slippers or trainers.

The prices of the new uniforms are shown as below. Prices are correct at date of printing and may be subject to change. The new uniforms will be available for purchase beginning July 2010 from the school office. Those who wish to place order can do so now at the school office. Full payment must be made on order.

Regards

Dr Goh Kok Keng
