

TENBY SCHOOL PENANG

20th August 2010.

Dear Parents & Students of Tenby International School,

Welcome to a new school year. I hope all of you are well and are taking time to relax and enjoy the school holidays. Our first day of school is 23rd August 2010 for Year 7 and Year 10 students and 24th August 2010 for all students. A new school year is always exciting. Our focus will be on providing each child with new challenges and lots of wonderful activities that will result in a rewarding school experience. Many of the teachers are already working hard in their classroom to get them prepared for their class.

It is always a great honour to start the school year by sharing our recent IGCSE results.

The percentage of students achieving 5A* - C was 96, while the percentage of students achieving ICE Pass was 100%. A particular mention and congratulations to Tan Bao Xiu who obtained 11A* and 1A grade in her results. Well done to her and all of our students.

We are very proud of our accomplishments again this year. We wish to applaud the fantastic work of our excellent teaching and support staff and our hard working and motivated students for these results. We also need to thank the parents of our students for instilling the importance of learning and supporting our educational programs.

We look forward to working with you and your child throughout the school year to provide a productive and happy learning environment that supports student success.

With Best Wishes.

Dr.Goh Kok Keng
Director of Schools,
Tenby Schools Penang.
