Dear Parents,

Please be informed that there was an error on the last newsletter. Ms Jane Kuok should have been signed off as Principal. Thank you.

School Choir
The school choir has been moved to Friday lunchtimes from 1.00-1.30pm due to a clash with another activity. All students who signed up for choir should have received an early lunchtime pass. This pass allows you to jump the lunch queue on Friday lunchtimes only. A register will be taken in the choir rehearsal and any student not attending choir will be asked to return the early lunchtime pass. If you have not received a pass and would still like to attend the school choir then please come to see me today. The rehearsals need to start at 1pm every Friday for the choir to make progress so please try to have your lunch as quickly as possible. Thank you and I will see you all on Friday.

~ Mr Williams ~

School Holidays in March
Just a reminder that the school will be closed on Monday 9th March for Prophet Muhammed’s birthday which is a public holiday.

CCAs
All the lists for CCAs have now been compiled and published on the notice boards in the Canteen. The following amendments have been made:

- Some CCAs have been cancelled as there were insufficient numbers.
- A few CCAs have been adjusted to accommodate more students. Therefore, the days may have changed.

All students to date should know what CCAs that they are doing and when they are taking place. If not, please refer to the boards in the Canteen. If your child has not been allocated a CCA, please could you inform the class teacher/form tutor/home room teacher and we will do our best to accommodate their choice.

If your child is doing a paid outsourced activity, please make payment in the Finance Department on the first floor of the Administration Block.

Australian Mathematics Competition (AMC)
This international competition highlights the importance of Mathematics as a subject and also provides an opportunity for students to discover their talents in Mathematics. Interested students must register with Puan Tsai Chen Chien (SST) using entry forms available at SST’s Resource Room.

Further details about this competition are given below:

Date: Thursday 6th August, 2009
Time: 11.00am - 12.15pm
Venue : Secondary Mathematics Room (SST)  
Categories : Junior Paper (Form 1, 2 / Year 8, 9)  
Intermediate Paper (Form 4)  
Entry Fee : RM33  
Format : 25 Multiple-choice problems and Integer answer (0 to 999) for  
Last 5 questions in 75 minutes  
Closing date : Tuesday 24th March, 2009

Please submit the completed entry form together with the cash payment latest by the closing date to Puan Tsai.

Samples of the questions will be posted on the school’s notice boards at the school respective blocks.

**Swimming (SST)**
Swimming is carried out for both Primary and Secondary during PE periods every week for a specified number of weeks. For this first term, all primary classes have swimming for the first seven weeks. After this, only Std 1-3 children will continue on with another 8 weeks each for Term 2 and 3. Besides swimming, the other components are basic movement, basic gymnastics, modified games, athletics and games like badminton, volleyball, futsal and basketball for the Std 4 & 5 children only. These are all carried during the double periods of PE lessons and the single period is for theory only.

For the Secondary students, swimming is scheduled for this term only for 6-7 weeks. The other components are athletics, badminton, volleyball, netball, ping pong and basketball.
