Secondary Great KL Knovel Knockout Competition 2010

On Tuesday 18th May the second Great KL Knovel Knockout for Secondary Students was held at the Australian International School of Malaysia. Tenby International School took two teams to the event to compete against six other schools: Australian International School, Alice Smith International School, Garden International School, Mont Kiara International School, Nexus, and the International School of Kuala Lumpur.

After the first nail biting round, TIS, AISM and ISKL fought hard to win the final. It was a close competition with TIS team Tenby United earning second place only 3 points behind ISKL. The students had to read 10 books for the competition and the questions were incredibly in-depth and challenging. Both teams did very well and we are already looking forward to next year!

Year 1E

1E has a French Cafe set up in the classroom in conjunction with our IPC topic which is on food. We invited Chef Daniel of Cafe 57, who is a French cuisine chef to give the children an insight into French food. He demonstrated mayonnaise making from scratch as well as making canapés (French finger food). The children had hands on experience as well as an opportunity to taste the food they made.
