TENBY SCHOOLS PENANG

Cafeteria Services at Tenby Schools Penang – Tanjung Bungah Site

We have a wonderful new cafeteria at Tenby Schools, Penang, operated by The Clove Cafeteria. They will have the benefit of a smart, top range kitchen and serving areas and have already had a starter experience in providing primary meals to Sri Tenby Primary at Jalan Macalister.

It was agreed during their presentation to a committee of students, staff and parents, in June for them to provide a varied menu with meals from Western, Asian and Oriental cuisine together with salads and vegetables to promote healthy eating. It was agreed for a ‘primary school meal’ to be provided at a cost of RM4.00 with a regular larger meal being RM6.00. All students may opt for the smaller portion meal. Drinks and supplementary items will be an additional cost.

The Clove will produce a monthly menu which will be available to all students. This menu will be available online. If parents do not wish their son/daughter to have to bring cash to school each day, they may pre-purchase meals by paying for the month. The Clove will credit or carry-over any meals missed through absence.

Arrangements:
For the Early Years and Key Stage 1 (Nursery, Reception, Year 1 and Year 2)
I recommend that all children have their meals pre-paid as they are too young to handle money issues. Each month parents will be sent a menu and be asked to select the dishes you want your child to receive each day and return this to school.

• Nursery and Reception meals will be plated and delivered to their room for it to be supervised by their own staff.
• Key Stage 1 children will be taken to their tables in the cafeteria – their meals will be plated: they will also be supervised by their own staff.

Key Stage 2 children will be taken to the cafeteria and select their meal: they may pay by cash but if parents prefer to pre-pay please follow the arrangements noted for Key Stage 1.

Key Stage 3 to 4 and Forms 1 to 5 Students will need to bring their money for purchasing meals and supplementary items such as drinks though may also follow the pre-pay process for their main meal.

PLEASE NOTE: once a main meal is selected, that is what you receive, not selected bits from each!

PRE-PAYMENT: For pre-payment, parents may pay directly, in cash, to the cashier at the Tenby Schools’ Cafeteria during the last week of the preceding month or may pay by cash or card at The Clove Cafeteria’s sister company restaurant, Strada. On payment a coupon for the next month will be issued: these will be retained by the class teachers for our younger children.

Breakfast and Snacks:
The Cafeteria will be providing a range of snack food for these break-times: students will need to purchase with cash.

All Families Please Note:
Only food from the cafeteria or packed lunches – brought by the students/pupils at the start of the school day – will be acceptable.

The arrangements for lunchtimes may be refined as we all become accustomed to our new situation.
