The Tenby International Primary School is Launched

I would like to invite all our new Primary Families to Tenby International Primary School. The opening of a school is always an exciting event but particularly on this occasion when we will be joining our Secondary School and the Sri Penang Secondary in our new buildings.

As with all new schools we will be starting small and grow reflecting the awareness of our reputation for excellence and enjoyment in education. Over the last two weeks your children’s teachers and assistants have been working hard in getting to know each other, planning the curriculum and sharing expertise to ensure that from the very first day your child’s experience will be a positive one.

With specific lessons dedicated to English and mathematics (termed Literacy and Numeracy) and an emphasis on collaborative learning: by subject association through the International Primary Curriculum; being developed through class, group and pairs work, your child will have a rich varied opportunity to learn. These will form the major aspects of the school week alongside other aspects of learning as appropriate for the children’s age, including languages, PE and sports, music, science and IT.

The First Day:
8:00 am Families to gather in the Early Years Section, ground floor
8:05 am The Principal, Mr Brisley will make a brief introduction to the School and Members of Staff and will invite Mr Robert Lloyd, Director of Education, Tenby Schools, Malaysia to address us all.
8:20 am Children and families will then go to their classrooms with their teaching staff to see where they will spend most of their learning day.
8:40 am First lessons start and we ask all but the parents of our Nursery and Reception Class children to vacate the classrooms
9:00 am We would like all Nursery and Reception parents to vacate the classrooms to allow staff to get-to-know your children.

At the End of the First School Day:
1:00 pm All Nursery and Reception children should be collected from their rooms ready to go home: it will have been a long first day for them with many new experiences.
2:00 pm All other Primary classes will finish and will be collected from the steps at the front of the Early Years Section.

Following Days in the First Week:
By 7:50 am All Primary School Children should be dropped off at the Early Years Section steps: Nursery, Reception and Key Stage 1 children (Years 1 and 2) will go into their area.

Key Stage 2 children will pass through the side gate and gather on the lower quadrangle area until they are collected by their teachers.
1:00 pm All Nursery and Reception Children are to be collected from the Early Years Classrooms
2:00 pm All Key Stage 1 and Key Stage 2 Children to be collected from the steps at the front of the Early Years Section.

For the first week all children will be collected from the steps at the front of the Early Years Section.

Please Note:

This First Week: there are no Co-Curricular Activities so all Primary pupils will leave at 2:00 pm.

If you have a child in Nursery or Reception as well as a child in Key Stage 1 or 2 and it is impossible to arrange transport for both children within the hour, the Early Years staff will operate an ‘After School Care Hour’ between 1:00pm and 2:00pm each afternoon: if you wish your son/daughter to stay for this session please speak to Mrs Wells.

IF WET, Years 3, 4, 5 and 6 will gather on the upper floor of the Early Years Section, entering through the side door.
