General Notices and Information

Mock examinations this year for Year 11 will take place in the last two weeks of this term (25th November-6th December) and not in the first two weeks of next term as in previous years. This is to allow us to identify students who are in need of extra support in the lead-up to the final exams earlier to ensure that their needs are met at this important time for them. Year 11 mock exam reports will be issued during the first week of Term two.

The Primary students enjoyed a great first week back at school, and we have been impressed with their enthusiasm, politeness and efforts. Please can you ensure that all your child’s clothing, books and equipment are clearly labelled with their names. If your child has a pre booked meal please ensure that you have discussed this with your child before hand so that they are aware of this.

Assistant Teacher Vacancy – temporary We are still looking to recruit a temporary Assistant Teacher, for one term in the first instance. We wish to appoint a person with enthusiasm and aptitude to work alongside our team of Primary teachers supporting children’s learning. Applicants should be Malaysian citizens, due to the work permit regulations pertaining to this post. If you are interested, or know of someone who might be, please let us know and / or submit a letter of application and CV to the Primary Office. Deadline for applications is now Friday 13th September.

Please ensure that we have your correct contact details, and any recent changes have been communicated to the School Office

Instrumental Lessons at Tenby

Due to the continuing success of instrumental lessons at Tenby International School, lessons will recommence in September 2013 on drum kit, electric guitar, acoustic guitar, bass guitar, and keyboard/piano, from local professional musicians.

As well as the fun and enjoyment experienced through the learning of a musical instrument, there is international acclaim to the benefits that it brings to young people. This includes the improvement of memory, reasoning and comprehension, and the development of skills in time management, organisation, and team work. Instrumental lessons at Tenby will last for 30 minutes each week and will be carefully timetabled so that students do not miss important schoolwork.

With shared lessons (no more than two students) charged at RM35, and individual lessons at RM60, this is a low cost and convenient way for your son/daughter to start learning a musical instrument, from a professional musician, during school time.

A demonstration of the instruments available will take place on Tuesday 10th September to give students the opportunity to meet the teachers and hear them in action before making a decision. Application forms will be handed out after the demonstration.

If you have any enquiries about instrumental lessons, please email Mr. Nick: nicholas.mcgauley@tenby.edu.my
