General Notices and Information

HPV vaccination will be done on 22nd January for all girls who were born in 2001. Consent forms have been distributed and should be returned back to the school by 15th January along with the medical books that have been distributed to Form 1 and Year 7 parents. Please remember there is a translation of this booklet in Chinese and English in the documents section of your portal.

School Identity Cards are being distributed to all students across Tenby Schools Penang. Cards, including a lanyard and card holder, cost RM10, which should be paid to the school’s accounts office for all students. Cards have already been distributed to students who have paid through form teachers in the secondary school. Students in the secondary schools are expected to wear their cards at all times while in school uniform with immediate effect. Cards will be kept by form teachers in the primary school and separate guidance on their use will be published later. The cards will also be used by all students to borrow books from the library with immediate effect and will be able to be used as a cashless system in the canteen, although the canteen facility will not be available straight away. There will be a replacement charge for any lost or damaged cards.

Please follow the directions of our staff when dropping-off and picking-up your child and be courteous and patient at all times. Please remember that the most important consideration is always the health and safety of our children and not your desire to enter and leave the premises as quickly as possible. If your child is not at the designated point when you are there, you will need to go around again, until they are. Please do not block up the flow for other users. If you need to walk your child into school, park up in a designated space or outside of school and also not in the pick-up & drop-off area. The inner road around school is for pick-up and drop-off of STPS students in std 1-6, and will be in operation from 7.45-8.05am, 2.15-2.45 and 3.30-4.00pm ONLY. At all other times, students should be dropped off and picked up at one of the other points (secondary or primary).
