Upcoming Events

PRI Wednesday 1st October, 2.30-6.00pm: TIPS Parent Consultation– These meetings will be to discuss how your child has settled in to their new class and to look the new one page profile for your child. We look forward to seeing all parents. . Please note the change of date for this event, which was previously advertised to take place on Wednesday 24th September. Apologies for any inconvenience caused.

SEC Thursday 25th September, 5-7pm (library): TISS Informal Parent-Teacher Meeting for new and returning parents. This is an opportunity to meet with your child's teachers in a less formal setting to find out how they are settling in. While it is primarily aimed at new parents, returning parents are also welcome to attend– this is especially relevant if your child has started a new phase of programme (such as IGCSE or A-Level) within the secondary school. We look forward to welcoming you all there.

ALL CAT4 Assessments will be taking place in school as per the schedule below. Please ensure that your children are in attendance on the day of the assessments. All assessments take place during the normal taught school day. Students will be taking spatial, verbal, non-verbal and quantitative online cognitive tests in order to help us develop meaningful, personalized programmes of study and targets for students throughout the school. New students who have recently entered school and took the assessments on entry (since May) will not need to retake them. Students should not need revise for the assessments as they are not content based, but as for any assessment, they should try to get a good nights sleep before the day of the assessment!

Monday 22 nd September	Yr 4 & F3
Tuesday 23 rd September	St 4 & Y10 (non-ICT students)
Wednesday 24 th September	Y10 (ICT students)

ALL CCAs are all now allocated and have started. If you still need to make payment for activities, please do so as soon as possible. You can check you child's CCAs by looking at the timetable tab in your portal or their attendance (in secondary) through the Attendance tab.

SEC Please remember that drop-off and pick-up for all secondary students is from the slip-road alongside school, even during wet weather. Secondary parents should not enter the school site for pick-up and drop-off at any time. Please remember to remain considerate and courteous at all times when collecting and dropping off children, irrespective of whether or not you are running late. Our most important consideration is always that our children remain safe.
