UPSR Trial : 10—11 July 2013. Time table will be out next week.

Mid Year Exam for other Standard Classes (Over 3 days)

General Notices and Information

Thank you for your understanding over the exceptional closure last Friday. Though many areas have been cleared and are safe for use, the Basketball Court and Swimming Pool as well as some corridor areas remain ‘out-of-action’. We hope the Basketball Court and Pool will be rendered safe by this Wednesday. Swimming, basketball and volleyball CCAs are cancelled Monday & Tuesday. We will update the situation with regards to Wednesday CCAs on Tuesday.

If you did not receive an email or portal alert on last Thursday night, please inform the school office so that we can check your contact details.

Our parent portal is now up and running and you should have received login details for this. We will be moving towards using the portal as our primary communication system over the coming weeks. Try logging on to it and exploring the information that is already on there. We will be sending you updates as more information is transferred over. You can already check your child’s attendance on any particular day, look at merit points awarded, message teachers, check timetables, and download documents that have been stored there. We hope that this will become a useful way of keeping abreast of events and progress in school.

Please remind all of our students not to leave valuables inside bags that are left unattended. We have had a small number of instances of items being taken from bags and while we will do our utmost to have these items recovered, it is important that all of our students take responsibility for their belongings and do not leave them unattended. Valuable items should not be brought to school.
