**General Notices and Information**

Here are some ways to get logged onto the Portal. You will need your Username and Password, this should have been emailed to you in June 2013 or at the beginning of this term for new parents. However if you have not received it please refer to Mazel (email penang@tenby.edu.my). Please confirm the email address for sending portal details to when you email us.

If the email address you are using is different to the registered email address given on the admission form when you first registered your child with the school, then you may not be receiving messages correctly. If this is the case, please let us know what your updated details are so we can get you registered on the system. Once you get your username and password, please go to www.tenby.edu.my/penangportal and key in your Username and Password. Do let us know if you would like to amend any of your details which you will find in My Details in your Portal. You can also edit some of the details yourself by clicking on the pencil icon you can see next to the email and phone number fields.

Mock examinations this year for Year 11 will take place in the last two weeks of this term (25th November-6th December) and not in the first two weeks of next term as in previous years. This is to allow us to identify students who are in need of extra support in the lead-up to the final exams earlier to ensure that their needs are met at this important time for them. Year 11 mock exam reports will be issued during the first week of term two.

Post UPSR Programme

This is to inform all parents that Standard Six pupils have to attend school as usual until the end of the school year. Lessons will go on as usual.

For the core subjects topics for Form One will be introduced. As for the non-core subjects the teachers will continue with the syllabus and the students will have to sit the school end-of-year examination on these subjects.

In addition to that we have also planned educational and interesting activities such as talks, visits, hikes, games and competitions as part of the post UPSR programme.
