Due to a lack of attendance at the AGM last Thursday, it was not possible to nominate new committee members. This process will now take place as part of the Committee Meeting this morning. This meeting is therefore open to ALL parents who would like to attend. We would like to encourage as many parents as possible to attend to ensure that the active role that the Parents Association plays in our school community can continue. Please remember we now have a single Parents Association covering both National and International Schools.
