**This Week**

**Tuesday**
- SPM Examination started on 6th November and will go on until 5th December. Students are requested to check their timetables and make sure that they have the necessary stationery items in preparation for the examination.
- Post-PMR Activities (educational activities) will be held from 8am to 3.30pm from Monday to Wednesday. A reminder that all STSS students are required to attend school right up until the end of term on 4th December. Students who exceed 14 days absence in any academic year may have their place in school revoked for non-attendance.

Can we please remind all parents that students are expected to attend school up until the end of term. Prior written notice is required for any advance absences and such absences are strongly discouraged as they adversely affect your child’s progress in school.

**General Notices and Information**
- **School Identity Cards** are now ready for distribution to all students across Tenby Schools Penang. Cards, including a lanyard and card holder, cost RM10, which should be paid to the school’s accounts office for all students except those leaving at the end of this term. Cards will then be distributed to students through form teachers at the start of next term. Students in the secondary schools will be expected to wear their cards at all times while in school uniform from the start of next term onwards. Cards will be kept by form teachers in the primary school and separate guidance on their use will be published later. The cards will also be used by all students to borrow books from the library with immediate effect and will be able to be used as a cash-less system in the canteen, although the canteen facility will not be available straight away. There will be a replacement charge for any lost or damaged cards.
- **Reminder:** Dropping food off at school during the day for students is not permitted. The school provides a canteen service that the students can use or they can bring a packed lunch from home with them when they are coming to school in the morning. Food brought in during the day will not be passed on to the students. If you have any questions about this, please see the relevant Pastoral Coordinator responsible for your child.

Thanks to all parents and students who turned out to make our Open Day a great success. It was fantastic to see so many of you getting involved in such a wide range of activities. A special mention also to our Boys’ U15 Basketball team who have been crowned PSAC League Champions. A fitting way to end a very positive term. I hope you all have a restful holiday and look forward to welcoming you all back in January, bright and refreshed.

Regards, Giles Montier, Head of Secondary Schools
