Parent News

Public Holiday — Chinese New Year: Friday 31st January — School Closed.

School closed for half term holiday: last day Thursday 30th January - school reopens Monday 10th February. (School office will be open on regular hours.)

General Notices and Information

Term Dates: Please be informed that due to some reorganisation of days, we will now have a long weekend during our 10 week second half of this term, being Thursday 6th and Friday 7th March.

Term 2 will finish on Wednesday 16th April. Term 3 will start on Tuesday 29th April.

Use of Mobile Phones in Cars when on the School Campus: though using a mobile phone when in control of a vehicle is generally considered unwise, it has been noticed that some drivers do so when moving around the campus including reading/writing texts. Being a school with about 60% of the population being under 11 means that the possibility of someone running onto the road is sometimes an unavoidable occurrence. So please, if you wish to call or text when in school pull over and stop: keep our children and yourselves safe. Thank you.

Please remember that you can still buy your souvenir copy of the School's ‘Drop in the Ocean’ performance DVD from the Reception Desk or Mrs Linda in the Primary Office.

English as an Additional Language: we are looking for adults who have qualification/experience in assisting children developing their English language skills. If you would like to use your expertise to assist with private lessons arranged for pupils at Tenby Miri, please send your details to the Principal, Phillip Brisley on philip.brisley@tenby.edu.my

Thank you
