Information Day - IISEYC

On Thursday, 21 March 2013, more than 80 parents and guardians turned up for the special IISEYC Information Day at the school's Main Hall from 5.45pm to 7.00pm.

The session started with a short presentation by Mr Lee Harvey, Vice Principal of Tenby International School, on the opportunities of studying at the two campuses; IISEYC at Jalan Tun Dr Ismail and the EYC at Meru Raya.

Parents and guardians were also briefed on the staffing and facilities as well as the fee structure for the two campuses. The evening ended with a Q&A session with the Director of Schools, Mrs Lai and Mr Lee Harvey answering queries and concerns raised by some parents and guardians.

Infant School Sports Day

This year, the Infant School Sports Day was held on Saturday, 9 March 2013 at the field in the Main School. It was the last Infant School Sports Day held at the Main School as the Main campus will be moving to Meru Raya this September 2013. Parents and guardians all turned up to cheer and give support to their children clad in cute and colourful sports attire.

Participating children were divided into teams based on class groups and they were required to move from 1 activity station (clockwise) to another to complete assigned tasks in the fastest time possible.

The activity stations, incorporating fundamental movement skills like skipping, walking, running and jumping are based on the following International Primary Curriculum Themes:

Station 1 Myths & Legends	:	Discovering knights & horses
Station 3 Capacity/Volume	:	Playing with water & measuring
Station 4 Toys	:	Remembering toys new and old
Station 6 Clothes	:	Pegging out the washing for mother
Station 7 Homes & Houses	:	Designing & building where we live
Station 9 Sand & Sea	:	Playtime by the beach

We would like to congratulate all the children who took part in making the event a big success. We would also like to give a special thanks to all parents and guardians for their support as well as teachers, student volunteers and non-academic staff who were on duty that day. It was a memorable day for all, not for the medals won but the happy moments gained.

Year 9 Parents' Evening

On 18 March 2013, TIS Ipoh organized a Parents' Evening for parents and guardians of students from Year 9 who will be sitting for the Secondary Checkpoint Examinations in April 2013. More than 50 people turned up for the information session and the students were each given an options' booklet.

The new subjects offered by TIS for the IGCSE 2015 exams are Drama, French, PE and Music. The evening started with a presentation by Mr Bernie Gilman, followed by a short briefing on every subject offered, by the subject teachers. Parents and guardians were also briefed on how the CAT3 analysis could help in choosing the best options for the students.

Students were encouraged to take up non-conventional subjects such as Art and Design, Drama and Music as these subjects could help them gain confidence, creativity and other lifelong skills. They could also open doors to a wide variety of career choices.

Students were also asked to choose wisely based on the option form provided as the school will not accommodate any changes once the courses have started in September 2013.

U-12 Basketball

We would like to congratulate the school's U-12 basketball team for winning the first runners up-title in the MSSD Kinta Utara Zone Competition. It was a big accomplishment for our boys as they competed against more experienced and well-known teams from schools around the Kinta district. Tenby Schools Ipoh has definitely made a name in the district's basketball arena as Grant Choo from Year 6 Green and Tan Kai Xun from Year 6 Blue were invited for selection trials for MSSD Kinta Utara team for the MSSPk Games. We wish the school basketball team the best of luck in its future undertaking!

Special Assembly - 21 March 2013

A special assembly was held at the basketball court on Thursday, 21 March 2013 for the installation of the new head and deputy head prefect as well as the new prefects.
