### Upcoming Events

As part of the 'Tenby Schools Festival 2015,' (coming up in January 2015!) a song writing competition is currently running to enable students to write a song that encapsulates the heart of Tenby Schools! The competition is open to ALL students, so start writing and have your 'Tenby Song' ready to perform in 'Tenby's got Talent' 2014 (revisited)! The winner will then have their song entered into a National competition (between Tenby Miri, KL, Shah Alam and Ipoh) to decide who's song will be the 'Official Song of Tenby!'

**ALL** CAT4 Assessments will be continuing in school next week for the students listed below. Please ensure that your children are in attendance on the day of the assessments. All assessments take place during the normal taught school day. Students will be taking spatial, verbal, non-verbal and quantitative online cognitive tests in order to help us develop meaningful, personalized programmes of study and targets for students throughout the school. New students who have recently entered school and took the assessments on entry (since May) will not need to retake them. Students should not need revise for the assessments as they are not content based, but as for any assessment, they should try to get a good nights sleep before the day of the assessment!
