**Weekend**
- Tenby Schools Penang Open Day will take place on **Saturday 30th November from 9am to 12pm** for all students and parents of Tenby Schools Penang. This will be an opportunity for you, your friends and your family to come and see the work your children have been doing in school this year and to showcase a variety of events that they have been involved in. There will be lots of fun activities going on in school that you can get involved in, performances, sports demonstrations, drama workshops, science investigations and games. We look forward to welcoming you all into school. Feel free to drop in at any time throughout the morning. Guests and visitors are very welcome as well. All students are welcome in school on the day and many are taking part in activities. Students taking part in such activities are expected to attend.

**Upcoming Events**
- Term ends for STS on Wednesday 4th December at 1.00pm. Term ends for TIS on Friday 6th December at 1.00pm. Can we please remind all parents that students are expected to attend school up until the end of term. Prior written notice is required for any advance absences and such absences are strongly discouraged as they adversely affect your child’s progress in school.

**General Notices and Information**
- **School Identity Cards** are now ready for distribution to all students across Tenby Schools Penang. Cards, including a lanyard and card holder, cost RM10, which should be paid to the school’s accounts office for all students except those leaving at the end of this term. Cards will then be distributed to students through form teachers. Students in the secondary schools will be expected to wear their cards at all times in school uniform from the start of next term onwards. Cards will be kept by form teachers in the primary school and separate guidance on their use will be published later. The cards will also be used by all students to borrow books from the library with immediate effect and will be able to be used as a cashless system in the canteen, although the canteen facility will not be available straight away. There will be a replacement charge for any lost or damaged cards.

**Reminder:** Dropping food off at school during the day for students is not permitted. The school provides a canteen service that the students can use or they can bring a packed lunch from home with them when they are coming to school in the morning. Food brought in during the day will not be passed on to the students. If you have any questions about this, please see the relevant Pastoral Coordinator responsible for your child.
