Typhoon Haiyan Relief Action by Tenby Miri

Showing an act of kindness for others who have lost so much has had a positive response so far with many children bringing their offerings already though some have asked for the collection to be extended to next week, which we shall do. Yesterday you will have received the Survivors’ Special Bulletin coordinating with staff and families even more school and parental activities.

This week is the Launchpad for our combined effort in response to the terrible conditions faced by the Philippines’ communities so devastated with Typhoon Haiyan (locally referred to as Yolanda). With activities based through the energies of our students, Class Parents and staff. Other events will be continuing throughout the rest of the term and into January so if you have a ‘cool’ idea let us know and we’ll see if we can incorporate it into our activities: real ‘corporate social responsibility’ from the Nursery children and up!

Upcoming Events

Monday

Tuesday

All

Primary

The next nation for our Culture Programme is Indonesia. There is to be a meeting today, Tuesday 26th November at 2:00pm in Ms Julie’s room (next door to Linda’s and Nic’s Offices) to discuss ideas and features.

All

Primary

SWIMATHON! Wednesday from 7:00am  Support our Swimming Squad by sponsoring our swimmers on their epic challenge against the clock, the water and their fitness levels! If you’re early come to the pool to cheer them on!

Mr Phillip will be out from Wednesday afternoon, to attend the Tenby Principals’ Meeting in Ipoh, Thursday.

Thursday

Friday

General Notices and Information

Communication Tree: as in previous years we wish to continue this cascade system to inform parents of any emergency and/or short-notice changes at Tenby International School, Miri. Class Parents will be informed by sms from the School Office and they will cascade the information to parents asking for a return ‘YES’ sms to signify received and understood. In this manner it is possible to notify all families within a very short time frame: in my school in Jordan we usually managed the full contact to all 250+ families in around ten minutes. Please ensure the school and your Class Parents have your current handphone numbers. If you have any questions about this please contact your Class Parent or Heads of School for clarification, thank you, PBR

A special thank you to Zuhayr in Year 6! Last weekend Zuhayr Shaikh was so moved by the terrible events happening in the Philippines that he decided to sell some of his originally created artwork involving cars in different locations. He had just six pictures but after talking it through with his Mum, these were scanned and at the weekend he went to the PBC and, with the help of some friends, started selling and has—to date—raised over RM243.00 for the appeal: exceptional commitment and leadership we like to see and encourage—more in the next Newsletter!

WELL DONE ZUHAYR!
