A UNITED WORLD AT PEACE-THROUGH EDUCATION

UP COMING EVENTS

Family Fun Day *by Ms Diane Metcalfe*

It was such an amazing day! The weather was perfect. Student stalls were superb! The Tenby family came together to enjoy another fantastic event led by our PTA. The pictures can say so much more than I can! Congratulations! Thank you to all those who put in so much effort, relentlessly chasing last minute requests and a special thank you to all of our sponsors for their generous donations. I would also like to extend my appreciation to our CEO, Mr Mark Parkinson who attended the event and presented our Entrepreneur of the Year Trophies.

Saturday 8th October 2016
PISF Roadshow-JEN Hotel

Monday 10th October 2016
Oct School reopens

Wednesday 12th October 2016
American Maths Olympiad

Open Day 9:30am

Monday 24th October 2016
House Assemblies

Friday 28th October 2016
CPR courses

Monday 31st October 2016
Deepavali holiday

SPECIAL ANNOUNCEMENT

Monday 3rd October- Friday 7th October
Half-term holiday

Fun Run *Student Council*

Over 90 of our Tenby students took part of the Family Fun Run. The event, which was planned by the student council, was a great success! The Student Council wish to thank all those who helped support them and also want to share their appreciation to the PTA and parents who donated drinks and snacks after the event.

Poem Recitation *by Ms Molly*

A class activity on poem recitation was held in Bahasa and English classes. The theme of the poem recitations was Malaysia and Nature. Year 9 & 10 students were involved in the Bahasa lessons and Year 8 students for the English Lesson. The main objectives were to understand the themes and structures of different types of poem.

During the process of recitation, students developed the skills of listening, speaking, reading, and writing. It was indeed a challenge for the students to work in groups and create their own poems, especially in Bahasa. Students were assessed based on articulation, voice tone/projection as well as teamwork. I would like to take this opportunity to say bravo and well done to all those Year 8, 9 & 10 students who were involved.

PGCEi 2015/2016 Graduation Ceremony

by Ms Diane Metcalfe

Congratulations to Ms Nadia Turner, our Year 3 teacher who successfully completed her PGCEI course. It was a delight to see her accept her certificate at the Graduation Ceremony hosted by Tenby Schools Setia Eco Park, Shah Alam. We know that Ms Turner enjoyed the course immensely which is run jointly by Queens University Belfast and Stranmillis University College, Belfast. Great to see her family enjoying the event!

Science Fair *by Mr Naeem*

On Wednesday 21st September, TISSEG held its third annual Science Fair. Students from Years 7 to 9 pursued various projects asking questions such as “does fire dance to music?” and “how does temperature affect the strength of a rubber band?” Year 10 students had the challenge of electroplating any item of their choice. Some groups were very ambitious, choosing non-metallic items such as flowers and sea shells. A number of groups were successful in their final product and although a few groups struggled to get the desired finishing, it was fun and a very good learning experience for all. Once again, students from all sections of the school visited each other’s fair. It was wonderful to see the level of engagement between presenters and their audience. Visiting teachers were also impressed with the effort that went into each project. The standard of displays this year was high with a lot of time and effort spent on each. Many thanks to our judges Ms Diane Metcalfe, Ms Sharina and Mr Dyer for taking the time to really test the students’ understanding of their projects. A huge well done to all the students for participating and making this year the most successful Science Fair yet! Below are the winners for each year group:

Winners:

Year 7: Quick Sand Touch (Myra, Kala, Venus & Ka Xuan)

Year 8: Optical Illusion (Law, Lau, Kai Sheng & Hunter)

Sight, Scent and Taste (Alexis & Ciri)

Dry Ice (Faheem, Lynn & Leon)

Year 9: Ruben’s Tube (Chloe, Divya, Misha, Ireen & Xin Le)

Year 10: Electroplating for Dummies (Ryan, Imran, Pang & Athir)

Electroplating keys (Carol, Cassandra, Olivia & Qayyim)
