Thurs 26th-Sat 28th June: STSS Whole School Educational Trip to Langkawi.

General Notices and Information

ALL
Please try and remember to be polite and courteous with our security staff. We have had a number of incidents over the past couple of weeks where parents have been rude and arguing with them. If you have an issue with what you are being asked to do, then please take the matter up with one of the senior staff in school as the guards are simply following the guidelines that they have been given and that have been explained on numerous occasions to all of our families. Secondary parents in particular should not be entering through the front gates of school to pick up and drop off children at any time. All parents who are not entering at pick-up and drop-off times can expect to be signed in and to show ID. Our rules are in place to safeguard your children while they are on our site, so we hope that you can understand this and follow them.
