Congratulations to the performers on their success during last Thursday’s ‘Evening of Music and Drama’. It was a professional and much applauded evening so well done to the children and staff as well as our parents who shared the evening. A special mention must go to Ms Sarah and Mr Peter for their arrangements and rehearsals. Mr Phillip was saddened not to have been able to attend but was thrilled to hear the good reviews.

Please remember there are no CCA this week.

During the week Primary Classes will be completing their current themes with varying exit points. Many will also be holding end of term parties which may or may not be linked to their exit point days.

Ms Katie from Year 2 will be away from school this week and the learning Ms Katie’s planned for her class will be delivered by Mr Stan, Ms Bethan and Mr Nic: an absence at this time of term is unfortunate but unavoidable though the children will benefit from having three dedicated teachers whom they know.

On the last day of term Friday 13th December, after assembly at 11:45am all the children will be breaking for lunch. If you would like to collect your child at this time, rather than the advertised 1:00pm finish time as previously advised through the school calendar, you may do so. otherwise, your child will be able to remain in school, have lunch and a final play with friends at school as usual and be dismissed at 1.00pm, the previously notified timing. The school transport system will run at 12.00pm and 1.00pm to fit around this change in school finishing time for those families that utilises this service.

Today is the PTAC Rainbow Day—see notices displayed by the PTAC around school. It will be a no-uniform day with contributions (RM5.00 or more if you wish) being sent to local charities for though the terrible scenes of destruction and sorrow were cast across our screens from the Haiyan Typhoon, we need to also remember that many people in our host society living with hardship too.

We’re looking forward to coming back at the start of next term to see the next stage of our School’s facilities improvement with the additional primary play area between the administration and blue buildings including a tunnel, planting area, house and sound frame.

At this holiday time the School would like to extend its best wishes to all of our community and hope you have an enjoyable holiday wherever you may be. If you are travelling we hope your journeys are punctual and relaxed and if at home, a pleasant fun-filled break from school for all of our children.

School restarts for all children Tuesday 7th January 2014

International Day—celebration of our World—22nd March 2014
