

Sixth Form coming to Tenby Miri

We are very pleased to announce that we will be opening a Sixth Form programme at our school in August 2016. At our recent School Board meeting we were given the green light to progress with our plans to open the centre, which will offer A-Levels from next year. We are all very excited to be able to develop our school further still with the addition of a further two years of study for the most senior members of our school. The Sixth Form is designed to very much be an integral part of our school, developing the values and ethos that already exist in our secondary school and utilizing the talents of many of our existing staff who are already trained to deliver A-Levels. Over the next nine months we will be working hard to develop those levels of training further and prepare resources and facilities to house the new programme. With spare capacity in the school we are not envisaging a major redevelopment programme, but will use existing facilities, enhanced and adapted to meet the needs of such a senior programme. We are planning for a broad range of subjects to be offered, with a core programme to develop skills and provide the advice that our Sixth Form cohort will need to get them into the very best universities around the world. To register for a Sixth Form prospectus, please contact our secondary school office or email miri@tenby.edu.my. We will be organizing a series of events and information sessions in the months to come, the first of which will be a launch party and information evening on Tuesday 2nd February. This will coincide with the next round of Year 11 Student-Parent learning conversations just after the Year 11 mock exams, and we look forward to welcoming you for this event. In the meantime, should you have any questions or would like further information about the programme, please contact our Secondary School office.

Year 7 Battle of Hastings re-enactment

What was the Battle of Hastings?

The battle of Hastings took place in the year 1066 to decide who would be king of England, it was against two sides, the Normans and the Saxons. The leader of

the Normans was William and the leader of the Saxons were Harold Godwinson.

What we did in class?

In class we have been studying about the battle of Hastings, we have been studying the main points why the Normans won and why the Saxons lost, we also did posters grouping the reasons why the Normans for ex. Williams good luck, Williams tactics. We have also grouped the reasons into the important reasons and the non-

important reasons.

What did we do on Wednesday?

On Wednesday we re-enacted the battle of Hastings in the play area in the canteen to year 3 and year 6.

Football vs JIS– by Ayush

It was a great experience playing against another international school. Even though we lost everyone tried their best. Because of the game we improved our communication skills and team work. We know we lost the game so we will practice more and try to win our next game.

Football vs St. Columbus– by Sai

Our game against St. Columbus was our first game against another school this year and it was a great experience and one to remember. Despite the fact that we lost, I think we played well as taking into account that this was our first game as a team. It did however give us the opportunity to learn from our mistakes and perform very well and fairly and maybe the next time we play them, we can win!

3rd KRP Junior Swimming Invitational 2015

A strong Tenby swim-team took part in the third KRP Junior swimming invitational, held at the Kelab Rekreasi Petroleum in Lutong. The school was represented by students in all age categories from 6 up to 12 and it was great to see the spirit with which our students competed and supported each other. As result,

many of our students medaled, and in the final tally we were placed second overall, a commendable effort as most of our competitors were from Miri's various swimming clubs. Below you can see some of our swimmers in action, as well as the groups of primary school medalists who received their gongs

All of our Primary medalists in Assembly in last week's assembly. Well done to all of those who took part.

Nagisa in the Girls U11 66m Butterfly

Hana in the U9 Girls 33m Butterfly

Year 4: Chocolate Entry Point

Taste testing chocolate in Year 4B as an entry point to our chocolate unit proved very popular last week!

International Day: Year 5 PS

As part of International day Year 5PS students organised a photo booth for their adopted country of Egypt. This involved organising and making back drops, props, makeup and the photography equipment. Other activities involved quizzes, jewellery making, a dance and a who killed King Tut challenge.
