Welcome to our first Tenby Times of 2013, in which we have tried to take you on a pictorial journey through our first term of operation. In this issue, we take a look back at our first day of school on January 14th, our Chinese New Year celebrations in February, Book Week in March and also some of the special events we arranged for our Early Years and Primary students whilst many of their teachers attended IPC training in Singapore in March.

Please note that we are planning to release future issues of Tenby Times every half term and the next issue will be published in early June.
