Notes:

1. We recommend that each student should take two CCAs, of which at least one is a sport.
2. If a student wishes to have more than two CCAs, his/her parent should write to the CCA Officer for consideration.
3. Students are not allowed to change the CCAs allocated to them. They can only change their CCAs the following term.
4. The announcement of confirmation of the CCA for respective students will be on Monday 2nd September.
5. CCAs will start on Monday 9th September and the last day is on Friday 29th November.

I agree to the choices made as above and I am prepared to bear the full cost of any CCA activity that is led by an outsourced coach or uses additional material in the course of the particular CCA.
