Sekolah Sri Tenby (SST)

Nadi Ilmu Programme for Primary
This newly introduced Bahasa reading programme has begun to encourage students to read more books in Bahasa. The outcome has been great as we have seen an increased number of students going to the school library to borrow Bahasa books. For every 5 books read with a book review written for each, the child is awarded a merit point. These merit points are collected for each term and the overall year’s total will entitle them to get a reading merit award certificate during a Term 3 assembly.

Parents are reminded to encourage child/ren to read Bahasa books at home. To help with this, please subscribe to the Dewan Pelajar magazines. Orders can be placed with the school bookshop through the classes’ Bahasa teachers.
Subject Options Briefing for Form 3 students
This briefing will take place from 11.11.13 – 13.11.13. Students will also attend a workshop (‘Self-Discovery Through Career Games’) held in school on 19.11.13 from 09:00hrs – 12:00hrs.
The objective of this workshop is to prepare these students towards developing the right attitude by assisting them to:
- know who one really is
- realise their potential
- set their future goals and
- place their lives in the right perspective

After this programme, an initial registration for 2015 SPM subjects will be conducted to firm up the classes for 2014 Form 4.
