Students – Mobile Phones

Primary
- Mobile phones are not banned, but we prefer that they are not brought to school
- Mobile phones must be switched off if brought to school
- If seen during school day (0800 – 1415), the mobile phone will be confiscated and must be reclaimed from Head of Primary
- If the mobile phone is confiscated three times, the Head of Primary will meet with the student’s parents
- Any calls which students need to make during school day should be made using the office phone

Secondary
