Dear Parents,

Please note that this will be the final newsletter for the term and, therefore, there will not be one next week.

**Dates for your Diary**

- Last day of term : Wednesday 1\textsuperscript{st} April.
- Start of the next term : Monday 13\textsuperscript{th} April.
- TIS Primary PTC : Tuesday 21.04.09. & Thursday 23.04.09.

**Lost Property**

One of the secondary students has lost a small purple box containing a dental retainer. As this is a very important item that is quite costly to replace, we would be grateful to anyone who is able to help us locate this item. If found, please hand it into the Receptionist.

**Parent/Teacher Conferences (PTC) for TIS**

Parent/Teacher Conferences for TIS will take place in the second and third week of next term. All conferences will be made on an appointment only basis. Details of these arrangements will be given out to you during the first week back next term.

**Use of PE Kit at Break and Lunch Times**

With effect from next term, secondary students playing basketball or football at break times or lunch times must wear the school house t-shirt. The usual school shirts are not to be worn. Students will be expected to change back into their usual school shirt before the commencement of the next lesson.

**Reply Slips for Attendance at First Parents/Teachers Day (SST)**

Invitation letters for this were given out on Thursday 26\textsuperscript{th} March. Please note that this event will take place on Tuesday 21\textsuperscript{st} April between 2.40pm and 5.00pm. Please return the reply slip indicating your selected appointment time to the respective Homeroom teacher by Monday 31\textsuperscript{st} March.

**Correction to Announcement Made**

In the survey report, the name of the student mentioned for Std 1S should only be listed as Fatin Amily. The other two names mentioned are for Std 4S.

**First Term Examination (SST)**

Students who have missed this examination due to sickness or other reasons will be given the opportunity to answer these papers on Monday 30\textsuperscript{th} March. They will be marked by their subject teachers but the marks will not be recorded in the First Term Report.
Up and Away! – Reception’s Special Guest Speaker
Captain Devan Pillai from Malaysia Airlines took us on a simulated flight in the cockpit of an aeroplane which he had especially videoed for the children at their level of understanding. First he showed the children how to use the ‘steering wheel’ of the aeroplane and then we experienced taking off in the daytime, turning left and right and landing at night with runway lights. Captain Devan also talked about his uniform and the children learned that 4 stripes on the sleeves of the jacket means that he is the Captain/leader of the pilots. He talked about his cap and what he would put in his pocket when he goes to work; and new vocabulary introduced included epaulet, wing and ear plugs. During question and answer time, the children received some tips on how to become a pilot and what kinds of food they should be eating if they want to be a pilot. The children also found out that Captain Devan flies a plane with 2 engines called the Boeing 737. They were very happy and excited as, for most of them, it was the first time that they have met a REAL pilot!

Mr. Mark the Frog Saver!

With us being next to the Eco Park, some of its wildlife chooses to visit us occasionally. This frog decided to hide itself in the ICT lab! Thanks to Mr. Mark, the frog did not come to any harm and was released from the dustpan back into its habitat.

We would like to wish all families a relaxing holiday and look forward to seeing you all again next term.
