**The General Knowledge Quiz (SST)**
On Wednesday 13 May 2009, we had a final round of the Lower Primary Quiz and it was a competition between Std 1S and Std 2S. Both teams did not score any points after the extension time was over but the team from Std 2S won when a class member from the floor could answer the deciding question. The Winner from Lower Primary is still the team from Std 2S. The Upper Primary will be competing on Wednesday 20th May and this will involve Std 4S and Std 5S.

**Birthday Parties**
Just a reminder that students are not allowed birthday parties in school. This includes providing food from outside or from the school caterer. Students are allowed though, to bring in a cake to share with their peers during lunchtime. For younger students, they should finish eating their lunch before the cake is distributed. Please also be aware that when choosing a cake for your child to bring to school, cakes containing nuts should be avoided.

**Official School Opening & PSPA Ensemble**

**Official Opening**
The official school opening will now take place on Thursday 4th June from 10.00am to 11.30am. As the date has now changed, there is a possibility that some parents who informed us that they were interested in attending may now not be able to make it. As such, if you would like to come, please return the slip below to the Receptionist by Thursday 21st May.

**PSPA Ensemble**
The Perak Society of Performing Arts (PSPA) is proud to be sponsoring and hosting the PSPA International Ensemble 2009 in June. This will be an exciting event that brings together seven world class musicians from the USA, UK, Japan, Macau, Singapore and Malaysia.

The PSPA Ensemble will be giving a free concert at Tenby Schools on Tuesday 9th June at 7.00pm. They will be performing much loved classics as well as Broadway musical favourites and contemporary music. If you are interested in coming along to this event, please return the slip below to the Receptionist by Thursday 21st May.

Please note that for both the official school opening and PSPA Ensemble, there is unfortunately limited accommodation and we are unable to invite all parents. If there are more parents that we can accommodate, a lottery will be used to allocate places.
French (TIS) – From Ms. Marie Perin
On Wednesday 20th May at 9.00am a group photograph of all the pupils studying French in KS2 and KS3 will be taken. This photograph will be used in the school’s year book. The theme of the photograph is the French Flag, so could you please make sure that you child wears clothes of the colours blue/white/red - blue for the upper body, white in the middle and red for the lower body. The outfits must be decent and cover the knees and shoulders. The pupils will get changed in their school uniform during their break time. Thank you for your cooperation.
