A United World with Tenby through Music and Dance

This year’s production received tremendous support from parents and guests as there were more than 750 who turned up that morning to watch Tenby children perform to the music and dance of different countries. The show was truly impressive and memorable to all.

The school would like to thank all parents, teachers, students and all involved for their warm support and co-operation. We would also like to thank the staff and principal of Perak Girls’ School who have been very helpful and kind in helping to make the production a success.

Hello, Goodbye Project

The Student Council, Prefectorial Board and Interact Club organized fundraising activities last week in the school, for their Hello, Goodbye Project. In conjunction with this fund-raising, students were invited to participate in “Sponge the teacher” game which was held during break times from Wednesday, 12 July 2013 to Friday, 14 July 2013.

More information on the photographs and DVD of the production will be given to parents and guardians in a circular soon.
Key Stage 3 Foreign Language (Years 7 - 9)

As part of our endeavour to expand the breadth of the curriculum that we are offering at Tenby International School, Mandarin and French will be offered in the school timetable as from September 2013, in addition to the compulsory inclusion of Malay. This is being done for several reasons such as to increase the range of subjects for student options that are made in Year 9, as well as to more effectively meet our core value of 'international mindedness' in actual practice. Please note, however, that students will be required to choose either Mandarin or French for study in Years 7, 8 and 9. The timetable does not yet allow both additional languages to be taken together. This move does not mean your child will have to study either subject at Key Stage 4 unless, of course, they wish to do so.

In addition to these two foreign languages, our students will, of course, continue to learn English and Malay as they have done in the past.

Key Stage 3 Internal Examinations (24 – 27 June 2013)

The internal subject examinations for all students in Years 7, 8 and 9 will begin on Monday, 24 June 2013 and end on Thursday, 27 June 2013. We will be following a different school timetable in order to accommodate the examinations and students will be dismissed from school at 2pm each day, once the examination schedule has been completed.

(Please refer to circular IIS.609.2013 dated 10 June 2013 for the examination timetable)

Students will resume their normal school timetable on Friday 28 June 2013 until the end of the school year on Friday, 19 July 2013.

Before the end of this term, there will be a Parents’ Consultation Evening, where parents and guardians will be able to discuss their child/ward’s performance in the end of year examinations with the respective class teachers.

Year 10 Internal Examinations (20 – 28 June 2013)

As we approach the end of the school year, so we have our internal subject examinations for all students in Year 10. These examinations are an important way of giving students examination practice, in advance of the main IGCSE practice examinations that are held in Year 11.

The examinations will begin on Thursday, 20 June 2013 and end on Friday 28 June 2013 and during that period, we will be following a different school timetable, in order to accommodate the examinations.

As a result of this altered timetable, students will be dismissed from school at 2pm each day, once the examinations scheduled have been completed. (Please refer to circular IIS.610.2013 dated 10 June 2013 for the examination timetable)

The only exception to this is on Wednesday 26 June 2013 when the examinations will end at 2.30pm.

With effect from Monday, 1 July 2013, students will resume their normal school timetable until the end of the current school year on Friday, 19 July 2013.

Before the end of this term, there will be a Parents’ Consultation Evening, where parents and guardians will be able to discuss their child/ward’s performance in the end of year examinations with the respective class teachers.

Adventure Conservation Programme

The English Department of Tenby International School Ipoh is organizing an Adventure Conservation Programme from the 11 July 2013 till the 13 July 2013 at the Bukit Kinding Resort. The aim of this programme is to encourage students to explore and appreciate our nature, whilst fostering positive relationships with both the indigenous community, and each other. Please refer to the circular IIS.612.2013 dated 12 June 2013 for more information about the programme.

Saturday 15th June 2013

Dear Teachers, Administration, Support Staff, Parents and most importantly Students

I would like to take this opportunity to congratulate you all on the wonderful journey of music and dance held on Saturday 15th June 2013, when as a Tenby community we came together to celebrate the world we all live in.

The enthusiasm and resilience shown by our young performers was so refreshing and certainly provided me with an opportunity to reflect on the importance of the learning process at such an early age. A process which is much more than what is learnt in the classroom, but also encompasses the wider experiences of working together, sharing and enjoying each others company. Alongside this, the support shown by our parents and the commitment made by our teachers and young school prefects, all demonstrated a passion for our vision and for providing opportunity for all to succeed.

On a final note, our young children were a credit to Tenby Schools, Ipoh and to the group as a whole. I thank them specifically for reminding us all that music and dance cross all boundaries and that through music, we can successfully communicate as one regardless of our spoken language, background or age.

Again thank you IISEYC.

Yours sincerely

Mrs Denise Sinclair

School Development & Improvement Manager
