Primary Athletics Competition - Saturday 18th May

What a fantastic day! The primary children arrived at Nexus International School excited and ready to compete. Right at the start of the event, we gained a gold and bronze medal in the girls’ 800m and 600m, a super achievement. The crowd cheered as the Year 6 girls won gold the 4x100m relay. Soon after, the boys came to celebrate their achievements in the field events showing off their bronze, silver and gold medals. Throughout the day the children motivated and supported each other, they even supported children from other schools displaying good sportsmanship. After half time, the boys continued to win medals in the track events, with a gold medal in the 100m. The girls celebrated their medals in the field events which included long jump, t-ball throw, quoit throw and shot put.

Thank you to all the staff and parents who supported the event. Thank you to all the children for their fantastic behaviour and attitude. A brilliant day, one we most certainly will never forget!

The Form 5 Trip to House of Love
(Reported by Pn Kavitha, HOS for Moral)

On Saturday 25th May, all Form 5 students made a visit to the ‘House of Love’ in Klang to complete their SPM Moral folio together with their teachers. The ‘House of Love’ was founded just last September as a home for orphans, abused, abandoned and neglected children. It is located in Taman Klang Jaya, Selangor.

Upon arrival, they started off the first the games. A mixture of students and the children played two physically-based games including ‘The mother hen and the eagle’. Next, the boys were tasked to put their strength to good use to clean up the garden, mainly clearing the fences from creepers and digging out dead tree roots. On the other hand, the girls did indoor housework. Some wiped the shelves, furniture and even the fan, while others chose to sweep the floor. In addition, a few girls set up a mini library with the books they donated.

Meanwhile, a small group of students entertained the children with games such as musical chairs and dancing to Gangnam Style, Macarena, Chicken Dance and Gwiyomi. It was truly lovely to watch this group of children so enthusiastic and carefree.

Exhausted, but delighted to get the tasks completed, they sat down for a few words by the founder and administrator, Joseph Pang. For lunch, they each had a packet of ‘nasi lemak’ with fried chicken courtesy of one of our students, Heng Yie as well as a potluck of finger foods by our students. With filled bellies, they cleaned up the tables before waiting for their parents to fetch them home.

Many of the students also donated supplies such as rice, canned food, flour, biscuits and detergent while others namely, Pei Ling, Jun Hui and Andrew donated cash. The 4 hours at the orphanage taught them to be grateful for what they have and to continue to be actively involved in community service.

2013 Teachers’ Day Celebrations
On Monday 20th May, Primary students and teachers celebrated Teacher’s Day during an extended assembly. The first session was conducted in the Auditorium where teachers sang “Kami Guru Malaysia” full of pride. Then, three performances were showcased. Std 1 students sang a song “You Have Made a Difference”, Std 4M recited a poem “When God Created Teachers” and Kathrina (Std 5S) delivered a meaningful elocution “Membalas Jasa Guru”. This was followed by the giving of hand-made souvenirs to all teachers and a slide presentation by the Councillors and Prefectural Board.

The second session was held at the new Basketball Court where Std 6 students and the Primary teachers had a friendly match of Captain Ball. The teachers and students were divided into 2 teams where teachers of Team 1 were against Team 1 students and teachers of Team 2 were against Team 2 students. Teachers of both teams won at the end. Both teachers and students enjoyed the activities very much.

The Secondary Teachers’ Day programme was different from the usual and it started with a swing into games at the new covered basketball court throughout the whole session of the extended assembly which was held on Tuesday 21st May. Both teachers and students had friendly matches for Basketball and Netball.
Parental Support: IPC Personal Goal Foci

We will be focusing on the IPC Personal Goal ‘Morality’ until Friday 04.06.13.

Here is a reminder to parents on how they can help their children understand ‘morality’.

Morality is…
Thinking about choices, making decisions and doing the right thing.
- Know about the moral issues associated with the subjects they study
- Know about and respect alternative moral standpoints
- Be able to develop their own moral standpoints
- Be able to act on their own moral standpoints
- Be able to explain reasons for their actions

Year 11 Prom and Awards Ceremony

Next Friday our Year 11 students celebrate the end of their IGCSE exams with their Prom at One World Hotel. No doubt the students will look amazing and enjoy their evening.

The following Tuesday, our Year 11 students and their families will attend the Year 11 Awards Evening where they will each receive their Record of Achievement and awards will be handed out.

Primary Portfolio

We would like to introduce the Primary Portfolio to Early Years and extend this into the rest of the Primary section from September. The purpose of the Primary Portfolio is to gather work that your child has done throughout each school year as a celebration of their achievements for that year.

The cost of the Primary Portfolio will be RM9.90. This may be re-used each year through their primary years at Tenby International School.

Reminder: Classes in September for Primary

It is school policy to split primary classes each academic year. The reason for this is to enable students to rehearse and practice social skills within a new setting each year and allow them to get to know more students within their year group.

This is a long and very careful process that the teachers will begin. When creating the new classes, the students will be able to choose at least one friend to be in the new class with. In addition, teachers will take various factors into consideration to ensure that each class has a balance of ability, gender, nationality, houses, behavioural and learning needs. We will do our best to provide students with exposure to a range of expatriate and local teachers.

Yoga Competition

Three siblings from our school Yukan (5T), Yelil (3E) and Kavin (2N) took part in the Malaysian International Yoga Competition 2013 on Wednesday 1st May. Yelil secured 1st runner up, Kavin 4th place and Yukan 5th place. Congratulations and well done to the children.
Year 10 Information Morning (Kathryn Hall, PSHE Co-ordinator)
As part of our ongoing commitment to our PSHE program, Year 10 students will have the opportunity to attend a ‘Sex and Relationships Enrichment Day’ on Tuesday 9th July.

Students will take part in workshops on relationships and peer pressure and NGO’s will be visiting to give talks on responsible contraception.

An information morning for parents about the day will take place on Wednesday 19th June from 08:00hrs in the Library.

We encourage all Year 10 parents to attend so they can be fully informed about the program and how they can support their children as they develop into young adults.

Year 5 French Breakfast
On the last Thursday before the holiday, the Year 5 French classes joined together to sample a French-style breakfast. This complemented the topic that the Year 5s have been studying on food and drink. French breakfast are traditionally very simple, but the students enjoyed tasting French bread with jam, croissants and hot chocolate served in bowls. Some of the students tried dipping their croissants into the hot chocolate in true French style!
