TENBY TM **iSP** International
SCHOOLS Schools
TROPICANA AMAN Partnership

Welcome to Tenby Schools

Tropicana Aman

We are a caring, curious and confident community showcasing an outstanding international school from Early Years through to Year 11 and IGCSEs.

By empowering every learner with the self-confidence, knowledge and life skills, we develop our students to become curious and confident to make a real difference in the world today.

Learning

TTA is a highly successful, inclusive and dynamic place to learn and grow. Fundamental to our ethos is that we support all students to have the opportunity to succeed, and the experience of success, in a culture of care and respect, support and challenge.

We aspire to provide a learning experience that educates the whole child for the whole of their life through academic excellence, outstanding pastoral care, inspiring enrichment opportunities and life skill development.

Community

Respect is a core value at TTA; respect for self, for others and for the School environment. We believe this is the cornerstone of student progress and achievement and supports our students to achieve above and beyond their aspirations. As a multicultural community, we encourage our students to be emphatic, respecting others and their beliefs, openly sharing and recognising different views and opinions. We want our students to see the world from a local, national and global perspective and from their learnings look to make a real difference now and in the future.

Experiences

As we are part of a truly global group, our students get to experience different learning opportunities both in and out of the classroom, in TTA as

well as opportunities to connect with peers all around the world through our amazing ILOS programme. With these experiences our young people become skilled communicators and international minded individuals on a pathway to success.

Our beautiful 10-acre campus has facilities that support learning in all areas of the curriculum. It buzzes with safe, happy students who enjoy learning here. I invite you to come and visit us, and share in our caring, curious, confident community.

Anne Marie Nield
Campus Principal

Tenby Schools

where confidence grows

United by purpose, driven by curiosity, growing confidence. Tenby International School Tropicana Aman is part of the Tenby Schools family.

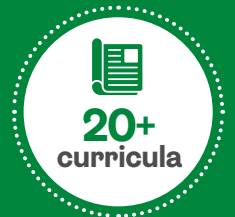

A global community connected by purpose

At the International Schools Partnership, iSP, we share a clear purpose with Tenby Schools.

We exist to grow the world's most curious, confident minds.

We create vibrant learning environments where students take charge of their education, developing the skills they need to thrive now and throughout their lives.

Largest global schools group in Malaysia

Learning is a journey

At iSP, we've created a unique and enriching learning experience for our students and their families.

No matter when or where they join us, they are welcomed into a world of international learning opportunities, personalised career guidance, and access to life-changing scholarships.

Our approach ignites curiosity, builds confidence, and empowers them to succeed - not just in school, but as lifelong learners ready to thrive in whatever future they choose.

iSP is committed to supporting our students at every step of the way.

International Opportunities

Our students develop and practice crucial life skills while discovering new passions and connecting with other iSP students around the world.

Pathways Careers

Our families, parents and students, receive personalised support from trained advisors to make informed decisions about future career and study paths.

Scholarships & Partnerships

Our unique range of scholarships and partnerships help students to explore a range of career and academic pathways, expanding possibilities and accessibility for everyone.

Destination of choice

Your journey starts here

International opportunities

As part of iSP, our students have access to a broader international community and can experience learning outside the classroom. This exclusive programme is designed to immerse students in diverse cultures, foster global connection and broaden their perspectives.

iSP Learning approach

Learning-First™ is iSP's unique approach to education. It means that we always put learners and their progress at the heart of everything we do.

By tracking and evidencing progress, we ensure every student excels and gains the confidence to reach beyond their potential.

Here, curiosity sparks, confidence builds, and every achievement, big or small, is celebrated.

“
Are you busy or are you busy learning?
”

Our iSP learning pillars

Academic achievement

Enjoy personalised learning that continuously enhances knowledge, skills and understanding.

Life competencies

Gain essential life skills to thrive in academics, as well as careers and personal lives.

International opportunities

Try global skill-building programmes and activities that develop critical thinking, teamwork and leadership.

Multilingualism

Develop proficiency in world languages, while being supported in home or first languages.

Life and career pathways

Benefit from personalised guidance for university and career choices, supporting your chosen path.

Dedicated to your child's success

Our iSP framework sets us apart by driving constant improvement in how we support your child's learning.

Through our Learning Improvement Process (LIP), we continuously evaluate and enhance our teaching methods to create the best environment for students. This evidence-based approach helps us assess whether the learning atmosphere is inspiring and engaging.

Developed by our experienced Learning and Innovation team, this framework ensures we are always improving, fostering a stronger, thriving community for every student.

Where will my child learn?

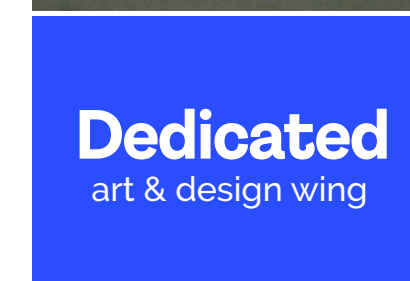

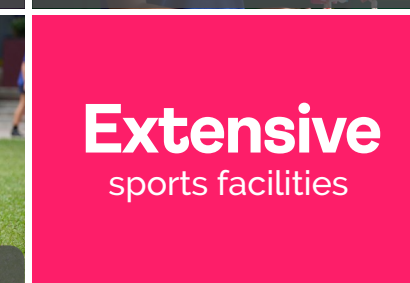

Feel the learning

Welcome to a place where we believe in nurturing every aspect of a child's growth. The process begins from the environment in which the children learn.

Our learning journey starts in the heart of our campus, an expansive 10-acre green campus in Kota Kemuning that provides students with a vibrant space to learn, play, and grow. With plenty of outdoor areas for activities, peaceful spots for quiet reflection, and light-filled, air-conditioned classrooms, our campus is designed to nurture creativity, collaboration, and academic excellence.

Our campus is equipped with cutting-edge facilities designed to support our students' learning. From classrooms enhanced with interactive technology to a one-to-one device for primary students with iPads and laptops, we ensure that our learners are always connected and engaged. Beyond the digital realm, our art, music and drama rooms, library, and auditorium invite students to explore their interests and hone their talents.

For those with a love of sport and physical activity, our swimming pools, indoor sports hall, and various outdoor athletic facilities provide ample opportunity to discover new passions and develop essential life skills.

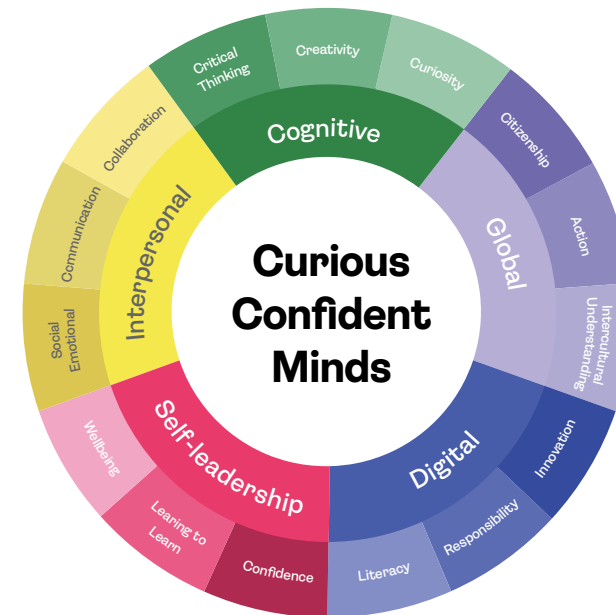

How is the curriculum delivered?

Our Tenby learners are changemakers in their own right, shaping their academic and personal journeys with purpose.

At Tenby International School Tropicana Aman, we encourage our students to develop curious and confident minds, fostered through our five core life competency skills. The 5Cs of learning - Cognitive, Global, Digital, Self-Leadership, Interpersonal - are deeply embedded into our curriculum, activities, and across every year group. Students don't just learn these skills; they proudly showcase them through their personal Tenby Learner portfolios.

Your school journey

We're known for our academic excellence, but also becoming a well-rounded global citizen means so much more than what happens in exams.

Our team works hard to provide a personalised approach to education so that we know what your child is curious about, what passions make happy and what future they are striving for.

International Journey

Discover your own path

The world awaits, and with Future Pathways™, students are equipped with the tools to choose pathways that will enrich and reward them for life.

Here we bring together industry experts, universities and companies from around the world, giving students unique insight – not just about further education options but also about how the world of work is changing.

Unifrog

A one-stop career guidance programme.

Personal guidance

Students receive 1-1 counselling to support future plans and study.

Career and University events

Fairs and events held by iSP's affiliate universities.

Speaker series

Regular talks by employers, entrepreneurs and industry leaders.

Alumni network

A space to network with iSP students from around the world after graduation

Early Years

Ages 3 to 5

Your child's first school experience is so important-it shapes how they'll approach learning throughout their life. At Tenby International School Tropicana Aman, we aim to spark a natural curiosity in children.

Following the Early Years Foundation Stage Curriculum (EYFS), which is the national Early Years curriculum of the UK, we create an environment that nurtures a love of learning and play.

The EYFS places emphasis on building life skills through purposeful play-based approaches that cover all curriculum areas including personal, social and emotional development.

New Early Years Nature School

We're excited to introduce our young learners to nature through regular outdoor learning inspired by the European Forest School model. This approach encourages children to connect with the environment while building essential skills like independence, resilience, and communication. As they explore the world, they learn to care for themselves, others, and the environment, fostering mindful and capable individuals.

What will they learn?

Literacy: We help children develop strong English reading and writing skills so by the end of their time in Early Years they're confident and ready for the next stage.

Phonics: We focus on linking English letters and sounds, exploring texts and poetry, and building writing skills, ensuring they're Primary ready.

Mathematics: We emphasise problem-solving, counting, number use, and early calculations, alongside shapes and measurement.

Understanding the World: Children explore connections between people, history, geography, and

Science, technology, engineering, and mathematics (STEM) as well as becoming digitally literate.

Expressive Art and Design: Creativity shines through music, dance, drama, and a variety of materials.

Foreign Language: We believe in a world where communication is key. All our Early Years students have weekly lessons in Bahasa Malaysia and Mandarin with specialist teachers.

Weekly physical education: Promoting fitness, coordination, and teamwork, our activities develop strong motor skills and encourage healthy habits from a young age.

International Primary School

Age 5 to 11

Our curriculum, based on the National Curriculum for England and the International Primary Curriculum, provides a strong foundation for your child's future success.

We foster a nurturing environment that encourages confidence, builds valuable life skills, and embraces a global outlook. Your child will benefit from the best of both worlds, preparing them for a lifetime of success both inside and outside the classroom.

Key Stages and Learning

Your child will progress through two key stages: Key Stage 1 (Years 1-2) and Key Stage 2 (Years 3-6). Our specialist teachers are dedicated to nurturing your child's potential through a fun, engaging, and exploratory approach. Embracing our Learning.First™ approach, we're here to guide your child in becoming a passionate, lifelong learner, ready to explore, challenge, and discover.

What will they learn?

- History
- Geography
- English
- Chinese
- Bahasa Malaysia
- Mathematics
- Science
- Design and Technology
- Art and Design
- Music
- Computer Science
- Physical Education
- Personal, Social, Health, and Education

Opportunities

Discover what you love

We have more than 100 extra curricular activities across our schools, allowing students to dive into an area of interest or learn a new passion.

Our co-curricular activity (CCA) clubs are taught by our team of specialist teachers and qualified international and external instructors to ensure a safe and enjoyable learning environment.

These activities do more than just fill their schedules; they provide avenues for passion, exploration, and leadership. As students engage, they not only grow in knowledge but also in confidence and responsibility.

School Life

Putting student safety first

Safeguarding is in everything we do at Tenby Schools. All our staff community, ranging from security guards to the Campus Principal play a part in keeping us all safe. Furthermore, our campus has a dedicated Safeguarding team who take responsibility for ensuring that all students are safe when at school. Here are some of the measures we have in place:

- School nurse on site
- All staff and parents wear identification
- Designated student toilets
- Undertaking police checks before recruiting staff
- Ensuring teacher and staff are first aid trained
- Patrolling security guards at entrance and exit points
- CCTV surveillance

Technology

Being digitally literate is a core skill and this is embedded throughout our curriculum. Along with specialist devices for computer science, design, science and music, we also have a range of devices to support primary learning, such as iPads and Winbooks. In Secondary, we assist our students with a Bring Your Own Device Scheme.

Keeping our students safe online

All our devices are protected by Smoothwall, which helps protect children's devices at school by providing advanced web filtering and monitoring tools. It ensures that students can safely access educational content while blocking harmful or inappropriate websites. Smoothwall's technology works in real-time, detecting and preventing online threats such as cyberbullying, explicit content, or

malware. Additionally, it allows school administrators to set custom filters tailored to age-appropriate content, ensuring a secure digital environment for learning. With Smoothwall, we can create a safer online experience for our students while maintaining educational access.

Lunchtime

Students are able to choose their own meal in our canteen or parents can order in advance. We have a cashless system so students can pay using their Vircle Card, which can be topped up easily by parents.

Uniform

We want our community to look smart and have pride in their appearance. Our uniforms are different in primary and secondary and on PE days students wear their PE kit.

School timings

The different stages of school have slightly different school day timings. After the school day is finished, all students can stay on for extra curricular clubs until 16:00.

- Early Years students start at 8:30am and the day ends at 15:00.
- Primary School (Years 1 and 2) start at 7:40 and ends at 15:00.
- Primary School (Years 3 and 6) start at 7:40 and ends at 15:00.
- Secondary School (Years 7 and 11) starts at 07:40 and ends at 15:00.

Parents' Association

Parental involvement is key to a successful school environment, and we strongly believe that when parents and the school work hand in hand, it facilitates a strong learning community that impacts and encourages students to be their best. Our Tenby School Parent Association (TSPA) is thriving organisation and helps the school with events, welcome meetings for parents and cultural celebrations.

Pastoral care

At our school, we place great importance on pastoral care, ensuring every child feels supported and cared for. Kindness and compassion are central to our values, and each student has a dedicated adult-whether it's a key worker, teacher, or form tutor-overseeing their well-being. Our school counsellor is always available, and to help new students settle in, we assign them a buddy. This ensures that everyone feels welcome and quickly adjusts to their new school environment.

Supporting non-English speakers

Our students come to us from many different backgrounds, with many different language needs. The Learning Centre (The English and EAL Department) is our own dedicated learning support hub on campus. We provide English as an Additional Language (EAL) classes to support all non-native English speakers. Our specialist teachers will work on a customised plan for each student who requires support.

Ready to begin your journey with us?

Submit application

1

Applications are accepted throughout the year, pending on space. Our admissions team will assist you with the application and any necessary paperwork for employers or visa applications.

Application review

2

Once your application is reviewed, we'll reach out with the next steps which may include an assessment and/or interview depending on the supporting documents included in your application and your current age.

Offer

3

There are three possible outcomes of the assessment. The first is Successful and you will be issued an offer letter. The second is Not Ready yet which means further discussion is needed about a start date and the third is a Conditional offer which may set out specific goals to be agreed by parents and the school before the child starts.

Get ready to start

5

Time to stride into the school year! We will make sure you and your family feel welcomed and supported from enrolment to graduation. Welcome to the Tenby family!

Secure your place

4

To accept the offer, provide any outstanding documents and pay the registration fee and deposit to secure your child's place and enrol. We will then help with MOE approval and any student or guardian visas.
