We would like to thank parents for their support of the Interact Club's Wishing Tree project. All the Christmas wishes were taken up within two days of posting the information to the community.

The Interact Club members will visit the Anning Orphanage on Tuesday 27th November for a presentation of the gifts to the children.

The response for the Coffee Morning and Learning at Tenby Talk has been very encouraging. Susana Davidson who is the International Schools Partnership (ISP) Director of Learning for South East Asia will speak to parents about 'Learning at Tenby'. Susana will talk about what learning is, how it happens and what our schools are doing to help your children get better. She will also introduce the new 'Hedgehog Concept' for Tenby Schools which is on Learning.

Please register via the ENGAGE Portal if you wish to attend this talk. You may also call the school Reception to register your attendance. Parents who wish to bring their friends along to listen to this talk may also call the School to register their friends. We look forward to as many parents coming to join us for this Coffee Morning.
