School Traffic Expectations

We have received numerous complaints that some parents are still blocking the left hand lane upon approaching the roundabout from Meru Desa Park.

We reiterate the following guidelines previously provided:

1. If you wish to be in the right-hand lane as you drive up to the school entrance please use the road passing Meru Desa Park as you approach the school. If you wish to join the left-hand lane after the roundabout please first turn left at the roundabout and conduct a U-Turn further up the road. **DO NOT CUT INTO THE LEFT LANE DIRECTLY AFTER THE ROUNDABOUT** as this is inconsiderate and is causing traffic congestion.
2. If you wish to be in the left-hand lane as you drive up to the school entrance please use the road passing the immigration offices when approaching the school. We ask that you do not create two lanes of traffic here in-order to permit local residents and workers passage. Parents and drivers

wishing to join the right-hand lane as you drive up to the school entrance are asked not to use this approach to school.

Block C – Not a drop off/pick up point

Parents are also dropping off their children indiscriminately behind Block C, please note that this is not a designated pick up / drop off point and we urge parent to refrain from doing so immediately.

Parents Association (PA) Committee 2019 Nominations

Thank you to parents who have volunteered and submitted their nominations to the school, we are pleased to share with the Community the nominees for the PA Committee 2019. Previously, we stated that we would have a maximum of two representatives for each key stage of the School, however it was suggested again this year, that all nominees be on the PA Committee for 2019.

The School has no objection to this and we propose that all the nominees serve on the Committee, unless any objections (with reasons to be considered) are received by noon Friday 1st February. Objections can be sent via e-mail to ipoh@tenby.edu.my

The nominees for the PA Committee 2019 and the sections of the school they represent are:
