

Dear Parents / Guardians,

## SKIPS

On Tuesday we welcomed the MOE to carry out their SKIPS inspection. Four officers spent the whole day checking our systems and procedures that we use to run our school are effective and efficient. They also conducted an inspection of the school premises and visited several of our classrooms to watch some teaching and learning. The inspectors were extremely happy with their experience of Tenby Schools and we will find out early in 2019 if we have managed to retain our five star rating.

## PA Meeting

This week saw the first joint PA meeting of the term take place. We welcomed several new members to our existing committee who represent all of our schools on campus. I would like to congratulate Anizah who was elected be the new co-chair of the committee along with Michelle who was elected to be the new secretary; Wai Han will continue on as our treasure. Thank you to all our PA who give up their time to help us further improve our school.

Best regards,

*Ian Temple*

Head of Schools
