Dear Parents,

Thank you for reading this Newsletter.

CIS /WASC Accreditation visit concludes today…
Our 14 guests have expressed positive comments about the School’s vision, teaching, policies and procedures, and the atmosphere of happiness, respect and courtesy that pervades the School community. There will be recommendations about how the School can further improve and the Report is eagerly awaited. Getting better all the time…

Car Clamping
The School derives no pleasure, whatsoever, by clamping parents’ and visitors’ cars for being thoughtlessly parked, blocking other cars and hindering the traffic flow around the School. If a car is clamped, Security Guards instruct the driver to see the Campus Principal. Earlier this week a parent of two young children grabbed a Security Guard ‘by the collar’ to insist his car was unclamped. This behaviour is totally unacceptable.

Please can parents and drivers observe a map behind this page which displays specific ‘drop off’ and ‘collection points’ and not provoke confrontation by parking in inappropriate locations.

TIS and SST Secondary Sports Day:
Wednesday 03.02.2016
Next Wednesday morning at the Panasonic Stadium the School looks forward to a morning of honest endeavour, determination and commitment in whole range of track and field events, where School records will be broken… again. Thank you to the Parents’ Association for arranging lunch boxes to be available.

A’level: Well done Year 12 and Year 13
It has been a busy, challenging time for senior TIS students who conclude their ‘mock’ examinations this week.

Masquerade Ball on Saturday 19.03.2016
Thank you to several parents who have pledged sponsorship and support for the evening’s festivities. Tickets are on sale, and the Phantom continues to drop rose petals

Tenby Schools presents

Carl Orff
Carmina Burana

Tenby Schools presents Carmina Burana

One of the most eccentric compositions of the 20th century, Carmina Burana will be performed by Tenby Schools’ pupils at the Dewan Filharmonik PETRONAS on Sunday, 8th May 2016 at 6.00 p.m.

The production is the full-scale Carmina Burana with a large orchestra, multiple vocal soloists, a 150-voice-strong chorus and dancers. A former Director of Music and now Campus Principal, Andrew Auster will be the conductor for this ambitious event.

The 60-minute Carmina Burana is a collection of 13th century lyrics set to a dynamic, percussive score by Carl Orff. Carmina Burana means ‘songs of Beuron’ and is about the wheel of fortune; sometimes one is up, sometimes one is down, but the wheel keeps turning… keep hold of the wheel!

Notes on Tenby Schools

Established in 1960, Tenby Schools is one of the leading long standing school groups in Malaysia. There are Tenby Schools in Ipoh, Penang, Setia Eco Park in Shah Alam, Miri in Sarawak, Setia Eco Gardens in Johor Bahru and in September 2016 a new Tenby School opens in Semenyih.

Primary Languages Week 2016
(Reported by Puan Amirtha, Puan Mona & Puan Tan Thue Lin)

The week beginning of Monday 18.01.2016 was a week of fun and excitement. For many it was an opportunity to display their talents. A variety of language activities were planned for all levels and all students with no exceptions, took part in the activities. The activities were carried out in their respective classes or in the Auditorium.

Through these competitions it is hoped that awareness is created among students on the importance of themselves excelling in languages. It would also serve as a catalyst for students to start using and learning languages in a more dedicated manner.

The objectives of the week’s activities are:
- To inculcate interest in English, Bahasa Melayu and Chinese among pupils
- To instill self-discipline in acquiring essential language skills
- To nurture positive attitude towards given task among the pupils
- To enjoy learning languages

Congratulations to all winners of Languages Week 2016.

Chinese Language Activities

“Let’s sing, children!” is the theme for this year’s Chinese Language Week. Since Tuesday 05.01.2016 students were engaged in learning and singing Chinese songs for a Singing Competition. Students were so excited to sing Chinese songs with dancing or movement. It was fun and enjoyable! The presentation of prizes and certificates will be held during the assembly on Monday 08.02.2016.

Cancellation of Secondary Personal Leadership Series Workshops

The following workshops for Form 1-3 and for Form 4 & 5 are cancelled due to poor participation:

- Thursday 24.03.2016 (08:00 – 16:00hrs) – Personal Leadership Series Workshop for Form 1-3

- Friday 25.03.2016 (08:00 – 16:00hrs) – Personal Leadership Series Workshop for Form 4 & 5

Payment made will be returned to Secondary parents when the cheques are ready.

On the contrary, response from Primary children is good and both the Primary workshops scheduled on Wednesday 20.04.2016 for Std. 1-3 and on Thursday 21.04.2016 for Std. 4-6 will be carried out.
Sixth Form DOE trip to Hulu Langat

Written by: Soo Wan Ting and Sarah Quah

On 21st and 23rd November 2015, the Sixth Form embarked on a journey to Hulu Langat for a practice expedition in order to obtain our Silver Award for the prestigious Duke of Edinburgh’s International Award. After months of planning and preparation, we were finally able to put our skills to the test.

As soon as our fresh, new pairs of hiking boots set foot on the gravel road after alighting the bus, we knew that we were about to experience a trip like no other. Fully equipped with high SPF sunblock, an array of patches and mosquito repellent; we hiked up a steep pathway to our first campsite. Throughout the day, we learnt about basic first aid and survival skills from the honorable Mr. Brandon. In addition, we were given the opportunity to practise our navigation skills with several students from Sri KDU who were also on their practice journey. At night, we prepared dinner with our own groups, enjoying each other’s company as we laughed heartily and created our own little inside jokes.

The next morning, we set off on one of the most challenging parts of the expedition: the full day hike. We greeted the day with heavy eyelids and clumsy actions. The purpose of the hike was to familiarise ourselves with the map using either a compass or a GPS. We were rewarded with a refreshing dip in a clear, cold river after the strenuous hike up the mountain.
On the last day of our expedition, we already had muscle cramps and pain that we could feel in our bones. Nevertheless, we still had to endure the last hike up Gunung Nuang. Along the way, we shared stories with our teammates as we helped one another to get past the muddy slopes, uneven paths and murky puddles. Benjamin, Inman, Wan Ting and Mrs Clayton along with 4 other KDU students managed to climb to the highest point set by the two schools which was 1371 metres as the peak of the mountain was 1493 metres. Before journeying back to the campsites, the entire Sixth Form had a chance to take a breather and splash about like little kids in one of the rivers along the way. As a result, we created a bond that was much stronger than what we could have created within our classroom walls.

This expedition wasn’t all fun and games. Besides going for the compulsory first aid course, we also learnt a few survival tips such as the fact that tapioca contains small doses of cyanide, bananas that grow upside down are poisonous and bloodthirsty mosquitoes love the colour black. We learnt to depend on each other, collaborate with one another and build teamwork that was not only within our own group, but with all the other students as well.

It is safe to say that after this trip, we were all beyond exhausted. We all know that although the pain and soreness will soon fade, the fond memories never will. Overall, the entire Sixth Form had a ball of a time and we look forward to setting off on our qualifying expedition this coming February.
Here is a reminder about Senior Sports Day for Tenby International Secondary and Sekolah Sri Tenby Secondary students which will be held at the Panasonic Stadium, Shah Alam on Wednesday 03.02.2016 from 07.40hrs – 14.00hrs.

It is compulsory for all students to attend and register with their tutor at the stadium by 07.40hrs. The track will be open from 07:00hrs for warm-up and events will begin at 08:00hrs.

Water will be available throughout the day, however please ensure your child arrives with adequate food and drinks. Refreshments will be available for everyone to purchase. All students are required to wear their house color t-shirt, black Tenby shorts and white socks with appropriate footwear for the day. We strongly advise students to bring sunscreen, a hat and a refillable water bottle. It is recommended that students leave any expensive electronic items at home for the day. If your child does bring these items please note it will be their responsibility.

All students are required to remain at the stadium until the presentation has been made to conclude the day. The day will finish at approximately 14.00hrs, when students can be collected.

This is one of the most exciting school events of the year and it would be great to see as many parents as possible supporting their children.

Thank you for your continued support.

PE Department
Another valiant performance from the girls Basketball team. Against another experienced squad who have played 20 games already this season, the girls worked tirelessly. Blocking and rebounding in defence, scrapping for every ball. At times it looked more like a wrestling match! Offensively our movement was much improved, creating good scoring opportunities. This allowed Amanda Cheah, our most experienced player to score eleven of our 13 points, including a perfect three pointer! The target each game is to improve our skill, fitness and tactical understanding. This was evident today along with the always present fighting spirit and outstanding attitudes. Another great learning experience. Well done girls.

All players represented and played an important part to each match. Experience from Chee Hong, Con Xin, Min Yew and Justin meant we were able to get early points and then rotate our players. A fantastic team effort to defeat ISP, HELP and IGB. Our final match proved our toughest with HELP leading for the majority of the game, we held them to a three point game throughout and our discipline and ability to pressure the main shooting guard meant Justin and Min Yew were able to make a couple of quick steals to take the lead with carefully executed lay-ups to collect easy points. A full court press ensured we kept the lead until the final whistle.

Well done to the team. Looking forward to our next competition at BSKL this Saturday!

As our team headed onto the court, girls from Year 7/8, came together to tip off their first game as Tenby Eagles. With seven players on the bench, the girls supported each other with high-fives and subbed in and out with their teammates. Throughout the first game, they were faced with a few tough calls but remained “Out-Of-The-Box,” kept their head up, and continued on with the game. ISP played really well, showing their experience and skill. As the final whistle blew, the final score was 14-8, ISP. In true Tenby style, the girls raced to join the line to high-five their opponents. As we cheered for the ISP squad and for our own teamwork, it was easy to see that the defeat didn’t dampen their spirits. After a quick debrief from Coach Yulia, the Girls won their game vs. HELP school with the final score 24-2. Well done to the girls.
U18 Girls Basketball Team

Small steps on a long journey:

On Tuesday our U18 girls competed in the semi-finals of the ISAC basketball tournament at ISKL. Our girls, as always, played in an impeccable manner... sometimes far too friendly allowing the other team to out muscle us in key areas.

The highlight of the game came in the final few seconds of the first quarter. We were three points down, with ten seconds left. After receiving instructions from a timeout the girls worked a quick shooting opportunity from outside the three point line and it slammed into the basket off the backboard. The girls were thrilled! It was a good demonstration of what the girls could achieve.

Sadly it was the last time we were level and BSK gradually increased a lead throughout the remaining quarters.

To compete at this level we need to leave the friendly manner on the side lines and play a lot tougher. We need to be first to every ball that drops at either end and we must take our shooting opportunities.

Well done to the girls for coming third. Let’s hope we can learn and move forwards.

Message from PE department

Our school will be participating in some selected sports for MSSD. Do spread the words to whoever that interested in participating on these sports:

- Squash
  15.02.2016 - 19.02.2016 - 08:00 - 18:00hrs
- Artistic Gymnastic
- Athletics / Track & Field
- Football
- Chess
- Golf
- Tennis
- Tenpin Bowling

Please give their names to Mr. Hakim at Std. 6S class (SST) or Ms Areena (TIS) as soon as possible.

This is open to all pupils who are interested to sign up. They will have to attend a selection session during CCA to the sport they have chosen. For sports such as golf, squash, gymnastics and bowling will be based on their credentials (if any).

The successful pupils will then be notified on the noticeboard at the entrance of MPH.

Helping Your Child Build Inner Strength

Date: 1 March 2016
Time: 9.00 - 11.00am
Venue: DG-01
Sixth Form Centre

Life is like a roller coaster, with its ups and downs. Can your child withstand the pressure of down time? Will he/she persevere? Does your child have the mental toughness to manage emotions and overcome setbacks?

Nowadays, good grades are not enough; so how are you building your child’s mental toughness and emotional intelligence? Both are crucial for their developing brain.

Come learn from Kate Lim, a psychologist, on how to give guidance and instill courage in your child.

At the end of the talk you will:
- Learn about the function of your child’s brain
- Understand the psychological needs of your child
- Learn Do’s and Don’ts of parenting
- Improve parent-child relationship

Kate Lim has a First-Class Honors Degree in Psychology (UK) and a Master’s Degree in Occupational & Organizational Psychology (UK). She is also a certified Clinical Hypno-therapist and NLP Coach (UK).

She can transform clients’ emotional distress and cluttered mind into life changing learning experiences and opportunities. She excels at articulating concepts and educating clients to break free from self-imposed limitations and to expand their mind and inner capabilities. She volunteers in non-profit and non-governmental organizations.

Kate’s vision is to provide necessary support, guidance and empowering knowledge and life tools to all ages of people with the intention to help them maintain and thrive in such a complex world.

This event is free and open to all Tenby parents but registration is required. To register, email us at tenbysep.pa@gmail.com (Jia-Hwei & Deepi) by 26 Feb 2016. Please state your child’s name and class when you register.
FROM THE PA:
The Tenby Masquerade Ball approaches... it is in 7 weeks... and we expect some of you will have questions. In anticipation of some of these, the PA would like to present this Q and A:

Q: **Should I be concerned about security?**
A: 1. The venue, EX8, is an enclosed area and has a 24-hour security guard.

2. We are currently in negotiations with the police at PDRM Sunway and in the process of communicating with PDRM Subang Jaya for extra police presence and security.

3. We have hired 3 RELA personnel to be at the venue from beginning to end. They will patrol the venue, the inside and outside parking lots/spaces and shall be there to escort you to your cars at the end of the event should you want them to.

Q: **What does one wear to such a shindig?**
A: Easy: in theory it is "*Formal/Glam/in character*". In practice, you can come dressed in black tie or period costume: powdered wigs and pointy shoes if you so wish; you can come dressed extravagantly or chic and cool... just make sure you come wearing a mask!

Q: **“Viking tables”? Will there be marauding Vikings (which brings me back to my first question)?**
A: For those who like a battle – sorry, no there won’t be. “Viking tables” are simply long tables. This year, instead of sitting at a conventional round table, we are going to sit side by side on rather lo-o-o-ong tables: all the better for a slightly different style of dining as you shall find out...

Q: **How are we funding this Ball?**
A: We are funding this through the generosity of our extremely supportive sponsors, two of whom stepped up early on, and of all our tremendous supporters and collaborators (thank you, all). Numerous things are being done in-house to save costs. Many of the school community, from generous parents to members of staff and the PA committee, have put in time, money and effort to enable this event to go ahead.

Thus far we have [two sponsors](#). We would be delighted to see more sponsors approach us in support of this Ball (please refer to the sponsorship proposal that has been forwarded to all parents).

Q: **What happens to the funds raised?**
A: The bulk of funds raised will go to pay all the Ball’s suppliers, supporters and collaborators without whom there would be no event. They have each and every one of them been extremely supportive of this event and have kept their costs to a minimum: for that we thank them greatly. Ten percent of remaining funds will be held back by the School to help the Parents Association continue to run and support events that strengthen the School community such as this annual Ball and coffee mornings talks, and sports events/music/art/drama productions.

The remaining 90% of excess funds will go directly to the very deserving Penan Women Foundation, the Penan being one of our oldest indigenous groups of people. More details of this Foundation and the Penan women can be found at the back of the sponsorship proposals sent to all parents, or at the ticket booth in the foyer every Tuesday and Friday mornings. We would like to make a difference in their lives.
