Message from the Principal

Dear Parents,

Thank you for reading this Newsletter.

Secondary TIS & SST Sports Day 2016

Congratulations to all pupils competing and supporting and thank you to the PE Department for arranging such a great occasion. Thank you to those parents who were able to attend and support, and special thanks to the PA and Korean mothers for providing refreshment throughout proceedings.

CIS and WAS Accreditation Visit

Jane Kuok’s commitment to the Tenby Group since the opening of SEP (KL) in 2008 has been remarkable. The CIS / WASC Accreditation process began over 18 months ago, and Jane’s leadership of the process was typically thorough and professional. With Jane’s appointment as Campus Principal at Tenby Ipoh from September 2016, remarkably Jane found the time and energy to conclude the necessary preparation and paperwork with weekly visits to SEP[KL], ably supported by Louise Shepard and the Steering Committee. Jane will always be welcome at School, and with her permanent home at Setia Eco Park, the combined Staff said not ‘good bye’ to Jane last Friday, but ‘au revoir’.
Welcome back Mr. Mike
The School has welcomed the return of Mr. Mike this week, who has led workshops and seminars with the TIS Maths Department, with both staff and pupils. Mr. Mike’s week will conclude with a Poetry Workshop in Primary.

Suspension
It is over 14 months ago since the School felt it necessary to suspend a pupil for inappropriate behaviour. Alas, last week a pupil was suspended for causing a serious injury to another pupil. The School will not tolerate unkindness – physical or verbal – from one pupil to another.

Common courtesies whilst driving in the School
The School is aware that those drivers who park thoughtlessly, or behave rudely to duty members of the teaching staff, and security guards who try to keep the traffic flow moving, perhaps never read the requests in Newsletters to observe common courtesies whilst driving around the School. Please let the whole School community take pride in setting the highest standards of driving etiquette when coming to and from School.

SiWu Scholarships
This year there has been a significant increase in the number of applications to secure SiWu Scholarships to enter SST Form 4, and TIS to join Year 10 and Year 12, which has resulted in 3 complete days of Scholarship auditions and interviews. Congratulations to those ‘internal’ pupils who were shortlisted for interview. Results of the Scholarships will not be known until later in the month.

Masked Ball Saturday 19.03.2016 and Carmina Burana on Sunday 08.05.2016
Tickets for both these events are now on sale. Thank you to the PA for arranging ticket sales for the Ball. Please see Miss Mandy for Concert tickets.

ABRSM: Associated Board of the Royal Schools of Music
Last year the School became an approved Examination Centre for ABRSM. Pupils from Tenby, and other schools, will be taking Practical Examinations this April in The Auditorium. Earlier this week, 17 Tenby students participated with students from six other international schools in a Gala ABRSM Concert, at the Eastin Hotel, in a programme of choral and orchestral music. Well done Tenby!

Happy Half Term and Happy Chinese New Year
I return to England tonight to see my family and then to spend, after the weekend, some time in London interviewing for new staff to join the International School from September 2016. May I take this opportunity of wishing the School community a very happy and healthy holiday period.

Kind regards,

Andrew Auster
Campus Principal
Come one, come all to Tenby’s annual Spring Charity Carnival!

If you love fun, games and food then this is THE event for you. We have game booths, music performances, food trucks and all sorts of stalls lined up just for this occasion. In addition to that, we’re also hosting our first ever Colour Run! The Colour Run will be held prior to the Spring Charity Carnival from 08:00hrs to 09:00hrs on the same day. Runners will be able to get sponsors to help raise money for charity for every lap they run and in the process, will enjoy getting splashed in bursts of colour. You can participate on this eventful day by setting up a stall, registering for the run or doing something as simple as just showing up. And remember, all profits go to charity! So why not come and spend a Saturday with us knowing that you’re contributing to a charitable cause?

Whole School Notice

International Competitions & Assessments for Schools (ICAS) 2016

Tenby Schools is holding a few international competitions and assessments for 2016 for both SST and TIS Primary to Secondary students. The International Competitions and Assessments for Schools (ICAS) is produced by the Educational Assessment Australia (EAA) from the University of New South Wales, Australia.

Our school will be observing only one closing date in administrating all competition events. The closing date for all competitions will be on Friday 19.02.2016. If your child is interested in participating in the competitions, please fill in the registration slip which can be obtained from School secretaries and make payment at the Admissions Office before Friday 19.02.2016.

Secondary Bahasa Melayu Languages Week Activities
(Reported by Mr Seravanan)

Languages Week 2016 was celebrated during the week beginning 18.01.2016. The children experienced a wide range of languages activities within their homerooms and then to be shortlisted for the finals for the two categories.

Congratulations to all the winners of this year’s Languages Week.

Secondary Chinese Language Activity for Languages Week 2016 (Reported by Pn Liong)

Chinese Language Activity during Languages Week was Calligraphy Competition (挥春比赛).
The objectives of Calligraphy Competition are as follows:-
- To improve the competency of students in the mastery of Chinese Language
- To promote interest among students in calligraphy
- To raise awareness of Chinese culture

The winners of Calligraphy Competition are given in the following table. Congratulation to all winners!

Qi Xin’s (F5S) report about the competition
This competition was held in the Multipurpose Hall (MPH) involving all students. Category A consisted of advanced students of Form 1 to Form 5. Category B consisted of Form 1 to Form 3 beginner students. The competition started at 11:00hrs and ended at 12:00hrs. Students were required to bring their own writing tools. Category A students wrote “春满乾坤福满门，天增岁月人增寿” and category B students wrote “年年大吉，岁岁有余”.
Students had fun writing the Chinese characters using black ink. Overall, everyone enjoyed themselves in the hall writing and competing with each other as well as writing down their wish and blessings for a new year. Our Head of School Puan Lee, also wrote the spring couplet together with the teachers and students as a blessing for everyone in this New Year.

It was a great and enriching experience for all students because it provided a platform for students of different races to do spring couplets. Spring couplets convey one’s wishes and blessings for a new year. The mood for the competition was happy and uplifting. Students had fun throughout the event and they also learned something new either from teachers or from their dear friends.

In addition, spring couplet, a special form of literature in China, is fondly written and pasted on the door frame or inside the house during Chinese New Year to enhance the mood of the festival. The sentence pasted on the right side of the door is called the first line of the couplet (上联) and the one on the left the second line (下联). On the eve of the Spring Festival, every household will paste on doors a spring couplet written on red paper to show a happy and prosperous atmosphere of the Festival.

### Upcoming School Events for Term 1

Please note that all these closing dates must be strictly adhered to and late entries will not be entertained.
Student Lead Conference and Reports
This week you have had the opportunity to find out more about your child’s learning through their student led conference. This is an empowering way for your children to show case learning and demonstrate understanding. You should have a copy of your child’s Term 2 targets this is a great way to help and support your child at home. Today you will receive your child’s mid-term report, please note it is a new format. At TIS Primary good attendance is 95% or above. Attendance below 95% will affect your child’s learning progress.

Year 5 IPC ‘Changing state’ Exit point
Year 5 worked together in small groups to devise exciting experiments to demonstrate changing state to parents and fellow Year 5 pupils. Budding scientists used salt to dissolve ice, hot water to dissolve chocolate and sweets. They created posters, gave explanations, listened and observed others.

Keeping your Teeth Healthy Talk
Children in KS1 and Year 3 had a dental talk and tooth care demonstration led by Dr. Sarlini and Dr. Nisha – keep those smiles bright and white!

Happy Chinese New Year 2016 from TIS Primary – Have a happy and prosperous new year!
Challenge Maths
Below is our first Challenge Maths Puzzle to be completed at home, a member of the family can help! If the children print and complete it, and return a correct answer on Monday morning after half term they can earn three merits.

Name: _______________________________  Class:___________________

All square: How many squares can you count in this diagram?
TENBY KUALA LUMPUR MODEL UNITED NATIONS MOCK CONFERENCE

“We are not developing nations, we are not developed nations, we are the United Nations.”, or so goes one of the most reputed Model United Nations catchphrase in history.

You may chance upon the phrase if you were ever to attend an MUN conference, like the one that was held last Saturday. The said affair was our very first mock conference that was organized by the Tenby Kuala Lumpur Model United Nations Club, and it was designed to serve as a platform for new, budding delegates to hone their public speaking and debate skills, as well as to put to practice all the tips and tricks they picked up from our workshop that was held on the Saturday prior to this.

To top it off, our mock conference was graced by the presence of highly experienced and influential MUN figures who came equipped with hordes of practical knowledge and understanding of the current political affairs and the actual United Nations, making them the ideal representatives to head our debates. This included former Tenby student Eshaan Menon, who has since attended over 20 conferences and was the guest speaker at our previous workshop.

Among the committees at our disposal, such as UNICEF and the Social, Humanitarian and Cultural Committee (SOCHUM) to name a few, I was party to the United Nations General Assembly, where we discussed the issue of veto power and came up with potential solutions and actions that could be carried out to combat it.

Piqued as I was at having to expend half of my long-awaited weekend at school, I was significantly appeased and humbled by the notable quality of debate and the experience which I had not expected to procure. I had come initially anticipating stale and monotonous debate, seeing as the larger majority of delegates were new to this activity, however, their spontaneity and sensibility in the ideas they contributed and the points they raised were at once logical and diplomatic despite the naivety of their ages, with the youngest being 12 years old.

The knowledge of having bore witness to the growth of these young children in their sense of diplomacy and global understanding gives me satisfaction and fulfilment, and I would unhesitatingly welcome any eager young learner to hop on the bandwagon and embark on their invaluable MUN journey where they will adopt the skills necessary for them to learn to speak up and speak out about the things that are important.

As Martin Luther King once famously said, “Our lives begin to end the day we become silent about the things that matter.”
Tenby KL Model United Nations Workshop by Alesha Wong & Soo Wan Ting

Tenby KL Model United Nations Club organised its inaugural TKLMUN Workshop on the 23rd of January 2016. Two months of planning this exciting event finally paid off when the workshop was attended by 103 enthusiastic students! We are so proud that students in Tenby as young as 11 years old are getting involved in something so great.

The guest instructor for the workshop goes by the name of Eshaan Menon. Eshaan is a notable and distinguished MUNer who is known for his professionalism and his passionate work in developing MUN in Malaysia. Dedicated to improving the debate quality in MUN, he spends his time training and developing the skills of future MUN-ers.

Participants first learnt about the United Nations and the different purposes and responsibilities of each council in the United Nations. Next, they learnt how to research by identifying the source of the information, the credibility of it as well as its bias. Participants also learnt where to find appropriate sources of information, depending on the topic and region of research.

The research was then put to good use when participants were given time to each make 1 minute speeches regarding any topic of their choice based on an article from the internet. This proved challenging for some as they realized the hardest part of that activity was to deliver the speech, not write it! With that, Eshaan taught them to use their facts and knowledge to make
their stance with inspiring and powerful speeches, by portraying confidence, maturity, and without fear. These tricks will be helpful in slowly guiding the students to speeches worthy of a best delegate award.

Every MUN committee aims to deliver a successful and comprehensive resolution. A resolution is a document written by delegates that highlights key solutions to tackle the issue. After learning about the criteria to make a good resolution, the students split into several groups to come up with a resolution for the Syrian refugee crisis. In the end, the group had a large debate about the best solutions and voted on the best resolution of their choice.

The workshop wouldn’t have been a success without the hard work of the members of the TKLMUN club. Hence, Wan Ting and I would like to note a few people who have largely contributed to this event. Andrew Wong & Nicholas Thomas Philip (Press & Media), Syuen Chia (Public Relations), Angelina Ng (Finance), Artix Wha (IT and Website) and Rachel Ng (Design). Last but not least, a big thank you to our three teacher advisers- Ms Pillay, Ms Chen and Ms Esther.
On 24.01.2016, Chan Shao Yong (6T) attended the High Scorers’ Concerts held by ABRSM. He had scored High Distinction for getting 140 marks out of 150 in his Grade 6 exam and was invited to perform one of his exam pieces or a piece at the level of Grade 6. Here are some photos at the event.

Right: Mr. Ryan Lewis

Tenby International School was invited by ABRSM to take part in Making Music Together 2016. There were 17 students taking part in this event.

1. Han Shao Yong 6T
2. Ow Kai An 6B
3. Sabrina Leong Ka Hei 7T
4. Albert Emmanuel Parish 7B
5. Low Wen Min 7B
6. Yim Shanhui 8T
7. Chan Jing Yuan 8E
8. Nicole Leong Ka Yeng 9N
9. Kathrina Chair Ping Jieh 9N
10. Kim Min Jun 9I
11. Jared Ngoh Jie Ern 10T
12. Lee Shu Shan 10B
13. Yim Ji Zheng 10B
14. Ng Jo Yee 11E
15. Gabriel Lakeman 11T
16. Seow Hong Suen, Sean 11Y
17. Lee Shu Qing 11I
On 30.01.2016, student went to Garden International School for rehearsals. Here are some photos from the orchestra and choir rehearsals.

There were seven schools taking part in this grand event. There are:

1. Tenby Schools SEP
2. Gardens International School
3. Alice Smith School
4. Nexus International School
5. International School @ Park City
6. British International School of Kuala Lumpur
7. Sri Kuala Lumpur

The concert was held on 02.02.2016 at Eastin Hotel Grand Ballroom. Our campus principal, Mr. Andrew Auster was invited to attend the concert as VIP. Thank you Miss Belle for organising this event and Miss Xin Bei for her help on both rehearsal and concert day. Mr. Mak Chi Hoe was the choral conductor on that night, where Mr. Mustaqim Abdullah was the orchestra conductor, who is also the trumpet and trombone teacher in Tenby Schools.

All students enjoyed themselves very much in this event. This is not only a platform for students to perform after learning an instrument, also for student to learn how to play as a team in the orchestra.

Thank you parents for supporting this event by sending their child for rehearsals and to concert venue.
Secondary Sports Day Wednesday 03.02.2016

After a successful day of races, throws and jumps with medals aplenty, creative face painting, and the odd fall... it was the 800m race that epitomized the Tenby Sports Day spirit: 2/3 of the school population getting to their feet to participate and represent their House knowing that only the top eight would score points.

I would like to thank all the pupils for their whole-hearted commitment to the event in which their passion was so clear to see. It is fair to say that a lot of blood, sweat and tears were shed during the course of the day. I would also like to thank the parents who came to support their children, the parents who organised the lunches and the parents who gave us valuable feedback on the day in which there is always room for improvement. An event which has over 1000 pupils involved definitely requires a lot of teamwork, so finally I would like to thank the 100+ staff who helped coordinate the day in their various roles. It ran extremely smoothly thanks to their organization and commitment.

Well done everybody and Congratulations to Falcons for winning the Inter-House Cup.

Photos are published in School’s Facebook page
https://www.facebook.com/TenbySetiaEcoPark/

Many thanks,

The PE Department

Thursday 25.02.2016  U15 Boys Basketball KLISS League @ IGB
Friday 26.02.2016  ISAC Track & Field Primary 08:00 – 12:00hrs @ Panasonic
Friday 26.02.2016  ISAC Track & Field Secondary 13:00 – 19:00hrs @ Panasonic
The U13 Boys Basketball went from strength to strength during the group stage of the ISAC tournament on Saturday at BSKL.

KLASS outclassed us in the first match, they created and took opportunities to score to take an early lead. Tenby came alive in the second half and played with more fire and started to work as a team getting the ball to the basket and stepping up on their defence preventing KLASS from scoring anymore.

The group favorites ISKL A team got a shock from Tenby as we were matching them basket for basket, Min Yew and Justin took advantages of the gaps in the defence and drove to the hoop scoring in succession. ISKL A had to dig deep for the win and only by a few points won the match.

Going into the next match against MKIS was positive from the start, early points on the board from Chee Yong and Min Yew saw a small lead, but the boys couldn't extend it. MKIS were strong, their post players were rebounding well and creating more chances. Tight the whole way through, some nerves nearly got the better of us but we held on to win by a single point!

The boys continued their form into their last game. Ee Hsin and Justin working well together inside the key to make chances and gain the rebounds against ISKL C team. Fast break opportunities came and some fantastic interceptions from Kon Xin and Sacheev helped to gain a bigger lead to win the game convincingly.

No podium finish for us this time but it was great to finish so positively with all of the players contributing. Very proud coach!
The Under-13 Basketball team achieved fantastic results at ISAC league held at ISKL last week. The U13 team grew in confidence as the tournament went on and with a fighting spirit they battled through to the end. It was an intense game but they just missed out on the victory this time. They should be proud of themselves finishing in 5th place overall, a great result girls, well done!

**MSSD Volleyball 2016**

MSSD Volleyball events was held at SMK Seri Kembangan on 26th to 29th January for Secondary students. Tenby were participating in two categories, U15 Boys and U18 Girls. Our boys played on 26th and 27th January while our girls played on 28th and 29th. The competition started from 08:30hrs to 15:00hrs for both categories.

Achievement in MSSD

1. **U15 BOYS VOLLEYBALL – 4TH PLACING**
2. U18 GIRLS VOLLEYBALL – 4TH PLACING

REPORTED BY: AREENA ABDULLAH

MSSD Badminton

Well done to Brendan Chiew and Max Pheng for winning bronze at the U15 MSSD Badminton on 20.01.2016. A great achievement for their first performance this academic year.

Well done to Avrel Foong Yuet Cheng for being chosen to represent the U12 girls Selangor Team.
Happy Chinese New Year!!!
