Dear Parents,

Thank you for reading this newsletter.

Baby Adam

As reported to the School community on Monday, the body of Baby Adam is now in the UK and his parents are making funeral arrangements. Gary Bradley and Albina are unlikely to be back to School until next Term. Our thoughts and prayers are extended to them and their respective families at this sad time. The cost of flying the body of Adam home has been very expensive, in addition to Gary’s and Albina’s flights, funeral costs are also high. If members of the School community would like to contribute and support the Bradleys at this time, please leave any donation (cash or cheques made payable to Gary Edward Bradley) in a sealed envelope titled Baby Adam in the Admissions’ Office.

School Fees : Please make payment ‘on time’

Thank you to the majority of parents who make payment of School Fees on time i.e. before the beginning of each term. The April Term 2016 Fees are due to be issued on Monday 14th March 2016. Alas, there have situations this Term of children being suspended from School because of a lack of payment, and no explanation about any difficulties. This causes great anxiety and distress for the child, family and the School. Please can all parents make payment ‘on time’.

Primary Health

The School met with Health Officials earlier this week. At this time of year, particularly in the Petaling Jaya district several Schools have reported cases of influenza. Their visit to SEP (KL) was ‘routine’, and Ross Armitage, Head of Primary, records that they found classrooms and toilets clean and hand sanitizer’s in all classrooms.

Busy weekends

Last weekend members of staff from both SST and TIS represented the School at the Association of International Malaysian Schools (AIMS).

Two full days of sport saw Tenby pupils strike gold in KLISS Secondary Athletics on Saturday, and on Sunday in a Tournament hosed by Tenby, 250 Badminton matches were played between 08:00hrs and 15:00hrs with Tenby Under 18 Boys winning Division 1 Championship, and the Tenby Under 18 girls in Bronze position, also in Division 1. Please see the sporting section for more details. Congratulations to the pupils, and thank you staff for ‘going the extra mile’.

Collection after sporting fixtures

Congratulations to the pupils who represent the School.

Thank you to the PE Staff who give up so much time coaching, and taking teams to matches and events.

Please can parents try and be as punctual as possible for collection of children from School on return from away fixtures.

Charity Carnival and Open Day :

Saturday 12th March

Well done to the student organisers of the Carnival, and thank you Tom Robinson for facilitating. A large attendance is expected. Please be ready to use the exterior car park, and parking down the back exit road.
Farewell to Mike and Gill Carding

The Tenby SEP (KL) community (and Tenby Schools in Ipoh, Johor Bahru, Miri, Penang) has been enriched by Mr. Mike’s visits over these last 6 weeks. Next Monday the SEP (KL) Mathematics Department embark on a Maths in the Mall adventure with Year 7 pupils. On Tuesday Mr. Mike and his wife, Gill, return to England. Thank you Mr. Mike – please come back again.

Kind regards,

Andrew Auster
Campus Principal

Carmina Burana: all five Tenby Schools rehearse on Saturday 19th March 2016 - 14:00hrs until 17:00hrs

Over 200 voices will come together next weekend for the first combined rehearsal in preparation for the Sunday 8th May 2016 Concert in the Dewan Filharmonik Petronas, Kuala Lumpur City Centre. Even if your child is not participating please do support what promises to be another special Tenby occasion.

Masquerade Ball: Saturday 19th March

There are only a few tickets left. Please do come and enjoy a special Tenby evening. Watch our teaser video here.

Earth Hour:

Friday 18th March from 08:30 to 09:30hrs

Earth Hour is being recognised world-wide. Tenby SEP (KL) will participate in this global event, explaining to pupils the importance of conserving energy and energy renewal, and switch off electricity for one hour next Friday.
Welcome to our “Morning Readers” session organised by the Tenby Primary Student Council!

Sekola Sri Tenby Record – breaking SPM 2015 Results

SST ranked No.1 in producing the best SPM results in Petaling Perdana District when these results were announced on Thursday 3rd March. The average School Grade (GPS) in 2014 was 2.88 but for 2015 it is 2.28, the lowest achieved so far. The smaller the value for GPS the better is the overall performance of the school. The detailed results are given below:-

The graph shows the percentages of passes and Grade As for 16 subjects.

The following 8 students from a batch of 48 students achieved straight A’s:

Yap Min Suen (11A’s)  
Alice Voong Shew Yin (10A’s)  
Hua Yi Yen (9A’s)  
Natalie Liew Suet May (9A’s)

Some achieving features of these results are as below:-

- 15 out of 17 subjects are 100% passes
- 8 subjects with % of Grade As more than 60% are as follows:
  - English 1119 (83.3%)
  - English 1119C (64.5%)
  - Mathematics (89.6%)
  - Pendidikan Moral (78.3%)
  - Sejarah (70.8%)
  - Physics (64.7%)
  - Science (71.4%)
  - Chinese Language (80%)
- The no.& % of students with no. of Grade As are shown as follows:-

Congratulations to all students for their excellent achievements. The school is very proud of all of you!
On Thursday 3\textsuperscript{rd} March 2016 morning, 37 parents attended the above AGM in the Auditorium. It was indeed the best attended AGM so far! Thanks to all parents who had attended and those who had nominated to be in the Committee 2016. Great thanks to the members of Committee 2015 for job well done and also to welcome new members to come on board to serve in the new Committee of 2016!

All the nine nominated members were appointed to serve in the new committee for 2016. The first meeting of the committee was held immediately after the AGM to form the main and sub-committees. Other interested parents were also coopted into subcommittees like Security, Traffic & Transport, CCAs, Sports & Library, Cafeteria, Events & PR and Health & Safety.
The names of parents in the various committees are given below:-

**Main Committee**

Ms. Tay Chooi Moon  
Co-Chair

Pn Lee Mei Leng  
Co-Chair

Ms. Cindy Tan Ghim Hui  
Treasurer

Mr. Lew Kwong Ann  
Secretary

Mr. Tiong Boon Keong

**Primary Prefects and Year Leaders Installation**
(Reported by Ms. Reeka)

During the primary assembly on Monday 22nd February 2016, a total of 13 Year Leaders and eleven Prefects were appointed. Teachers and students celebrated the official induction of our new student leadership team for year 2016. The prefects’ roles were revealed following a recital of the Prefects Pledge.

The Head Prefect is Adam Harith (Std. 6S) and the Deputy Head Prefect is Kirthina (Std. 6S). Prefects are given responsibility over a class and they have to carry out their duties during part of the break and lunch times. They too carry out their respective duties during school events and activities Congratulations to all these Year Leaders and Prefects of 2016!
SST’s “Close to Nature” Day
Reported by Cikgu Azrul Hisham

Wednesday is often referred to “Close to Nature” Day and outdoor activities are carried out in the Edible Garden within Tenby Science Garden. On Wednesday 2nd March 2016 afternoon, a group of Primary students joined in the activity together with Cikgu Azrul to harvest sweet potatoes and tapioca. These plants were planted into the ground for 3-4 months before harvesting. The children were so excited to see the tubers deep in the ground.

The following were some information about sweet potatoes shared with the children:
Scientific name: *Ipomoea batatas*
Good nutritional value of sweet potato as it has high contents of Vitamin B6, D and C, minerals like iron, magnesium, potassium and also carotenoids. The children were also briefed about how to improve the yield for the next harvest. Various varieties of potatoes as shown below:-

</tbody>
</table>

Parents of children who are attending other external examination/s during this duration are to inform their Homeroom Teachers via a letter for arrangement to be made for another time on the same day to sit for these papers on their return.

If the child is sick on examination day, a doctor’s medical chit is to be submitted to the Homeroom Teacher and the child will be sitting for the missed paper on his/her return to school. The paper will be marked but it will be noted as “ABSENT” for the subject mark in the Termly Performance Report.
SST Secondary Prefect Installation 2016
Reported by Nicole Anne (FSM)

Henry Kissinger once said, “The task of the leader is to get their people from where they are to where they have not been.”

A frequently asked question is, “What is the role of a prefect?”

Prefects are students who has special duties and helps to control younger students. The role of a prefect is not limited to only one thing, it includes assisting teaching staff, organising activities, supervising the behaviour of students, maintaining the school’s order and many more.

On Tuesday 1st March 2016, Sekolah Sri Tenby held their Prefect Installation for the year 2016, during the weekly secondary assembly in the MPH (Multi-Purpose Hall).

The installation was led by the Deputy Head of Student Affairs, Puan Saw. She managed to get the students hyped up in guessing who their head and deputy head prefect was for the year.

The moment of truth finally arrived, Puan Saw announced the Head Prefect as Nicole Anne and the Deputy Head Prefect as Lim Cheryl. However those weren’t the only two important roles as three other prefects were also chosen to be leaders of the Prefectorial board in order to form a whole full committee.

Asthajothi was elected as Event Coordinator, Jazzi Koe was elected as Treasurer while Zi Hui was elected as the Secretary.

The newly elected Head Prefect, Nicole Anne then invited all the prefects up on stage to read the prefect pledge.

The pledge read by the prefects is giving the whole school an assurance that they will do their duties earnestly and to the best of their ability. On top of that, they were also promising to set a good example by their good behaviour, honesty and effort which will influence younger children to become helpful school citizens.

Together as a whole prefect board, as a family, we strive to change things around and fix our mistakes in order to become a firm and strong team so that others may look up to us as role models.
Come August 2016, children from Tenby Schools will once again be participating in the Cambridge Programmes in Cambridge, UK. The programmes are based in Churchill College, one of the 31 colleges which make up Cambridge University.

Singularly beautiful and historic, the city of Cambridge is the ideal location for an inspirational summer programme. Students can choose to study English, English Literature or Science within this unique academic environment. The academic side is complemented by a series of educational visits to enhance their cultural experience.

Last year, 11 children from Tenby School took part in the programme and here are some of their thoughts about the programmes:

I found the programme very interesting and inspiring, and believe I found my fields of interest which I hope to pursue at Cambridge in the future. Jarrod Yeoh (Science Programme)

It was an amazing two weeks and I’ve learned so much from the mentors, made new friends and experienced something that motivated my goals even more. I learned about how Cambridge students were selected which was really helpful, different knowledge from the three sciences and also to think differently. Abigail Chang (Science Programme)

This experience definitely made me think about what I wanted to do in the future, as it made me realise that I needed to pick a subject- or an area- that I was passionate, enthusiastic, and intrigued in- because I would have to study it for three years or so, and it made me ultimately decide on what degree or career I would pursue in the future. Zoe Cheah (Science Programme)

I’ll never forget anything from the programme, for I have learnt many useful skills that will definitely help me in school, such as writing, a whole lot of different persuasive skills and my confidence elevated by an impressive amount. Raynis Cha (English Programme)

Mrs Clarke, Cambridge Programmes’ director, told us in the beginning that we were not there to study. She emphasized on how we were there to learn. “Work hard, play hard and ask questions.” Raegel Cha (Science Programme)

This programme has really influenced me in my future decisions regarding my further studies. I had decided long, long ago to pursue International Business in Singapore not out of personal interest but because it was the easy way out, and besides, I thought I quite liked the subject. Until I came to Cambridge. That was when I realised my true passion laid within English Literature, which was the course I had initially desired to pursue but was discouraged to do so because ‘it wouldn’t bring me anywhere.’ And now, I had never dreamt it before, but after this experience, well, it’s safe to say that I now wish Cambridge could hopefully have a place in my future. Rachel Ng (English Literature Programme)
TIS Primary

Please follow all our achievements on twitter @ TenbySEP_TISpri

You can find this link on the front page of the school website.

Carnival

Primary pupils, parents and staff have organised lots of exciting stalls and activates please support them this Saturday 10:00 – 14:00hrs.

Sibling Photographs

The school photographer will be in school on 22nd April 2016 to take photos of new Primary children and sibling photos.

Should you wish to register your children for a sibling photo, please email Ms. Chong at chongsiewfong@tenby.edu.my and provide children’s names and classes by Friday 15th April 2016. Please take note that the photographer has a limit of 40 places. Requests will be based on a first come first served basis.

Meal Plan

Just a reminder, Term 3 will start on 6th April 2016. KS1 parents need to put in their notice now if they want to opt out of the meal plan. This is so that sufficient notice is given to Diners.

Steps taken by school when several medical cases arise

Just to remind parents that when your child is sick to keep them off school for 24hours from the last point of sickness. When there are a number of children who are ill, then school takes the following steps.

1. Deep clean – disinfectant of all furniture by cleaners
2. Information letters sent to parents of year groups
3. Teachers to re-visit hand washing with classes
4. Every class has hand sanitizer
5. For your information the school nurse is organising a hand washing workshop next week with local health care provider

Key dates

- Monday 14th and Tuesday 15th Year Five Rivers trip to Kuala Selangor
- Tuesday 15th EY trip to the chocolate museum (Nursery) and the organic farm (Reception).
- Thursday 17th Year Four trip to FRIM
- Friday 18th Challenge Maths and WWF Earth hour – turn of lights and electric appliances for one hour 09:00-10:00hrs can you support us at home?
- Thursday 24th March 2016 end of term school closes at 12:00hrs
Year 10 Business Studies Royal Selangor Pewter School Trip

On 27th February 2016, two Year 10 Business Studies classes joined together to set on a fun filled trip to Royal Selangor Pewter. Royal Selangor started off as a small family business in Kuala Lumpur, Malaysia. Now, Royal Selangor is a well-established company with more than 40 shops world-wide.

Royal Selangor was founded in 1885, by a man named Yong Koon from China. It started off with a plain 10 workers and has now grown to have over 200,000 world-wide. Royal Selangor is a company that produces pewter accessories and tableware. Pewter is a type alloy made of copper, gold and tin. It’s softer than most metals so it’s easily crafted. Pewter is cherished for its very collectiveness, affordability, and long longevity. Royal Selangor was merely a small family business back at that time, but is now known all over the world with their sister companies Comyns and Selberan. There were once more companies but many failed to succeed. Over the years, Royal Selangor has matured and progressed to become one of the largest pewter manufacturing and retailing companies.

We were brought on a tour of the visitor centre where we came across many works of pewter on display. An example of which was a replica of the Twin Towers made from pewter cups. At one of the tour’s stops, we were shown the steps of pewter cups in its shaping process.
We were also shown old pewter artefacts and the long history behind them. Learning about the history of the pewter industry made us realise how much the use of pewter has changed over the years. Pewter was once a form of currency and is now used for purposes such as decorations and jewellery.

After we went to the visitor centre we went to the School of Hard Knocks. We had the rare opportunity to shape a sheet of pewter into a bowl by knocking the sheet into a rounded mould. We also had a chance to engrave our names into it. The knocking sound was triumphant and as one in the School of Hard Knocks. As many pewter items are both collectible and fetch considerably high prices in the market.

When our tour in the visitor’s centre brought us to the exhibition and gifts centre, it immediately became clear why Royal Selangor is so successful in its craft; all Royal Selangor’s accessories and tableware are painstakingly hand-crafted by over 400 skilled crafts-men.

We saw many elaborate works of pewter selling for premium prices. Many of the pieces ranged from oriental house ware and decorations to collectible pieces based off of the Star Wars and Lord of the Ring franchise. The visit to the gift shop gave us an insight on how beautifully hand-crafted pewter can be. We could only imagine how tedious crafting such intricate pewter pieces could be.

Overall, this trip to Royal Selangor has been an educational and fruitful experience. It has given us the rare opportunity to see the history behind a company that has managed to build itself off the ground and into a successful company that’s extraordinarily skilled in its craft. Despite its humble beginnings, this company has effectively used the right marketing strategies to make itself well known in its industry. Many can only wish for such success. This trip has given us, business students, inspiration and encouragement to be like Mr. Yong Koon. Maybe one day, one of us could be just as successful of an entrepreneur as him.

Thursday, Dress-up Day

Tenby teachers, staff and students of primary schools are encourage to dress-up as a BOOK CHARACTER on this day. Parents may check with the form/tutor/class teacher if the class is having a theme.

Scholastic Book Collection

The Scholastic Book Collection Day is on Friday, 18 March 2016. Scholastic Representatives will take charge of the collection. Orders can be collected at the Secondary Cafeteria just below the library from 10:00 hrs to 16:00 hrs. Parents may collect after school hours. Teachers and students are advised to collect on the said time.
GET YOUR HEAD INTO READING PRIMARY BATTLE OF THE BOOKS 23rd of MARCH

TRY A BLIND DATE WITH A BOOK!
A great way to try something outside your usual range of reading!

BOOK WEEK 2016
21-24 MARCH

GIVE A BOOK, GET A BOOK.
BOOK EXCHANGE 2016
23 & 24 MARCH 2016 08:00 hrs to 16:00 hrs

3 easy steps to exchange your used books for new reads

1. Bring your 2 books to the library from 14 until 22 of March, 08:00hrs to 16:00 hrs.
2. Collect a ticket indicating a two-for-one exchange for the books accepted
3. Bring your tickets to the library on 23 & 24 of March to redeem other books

DONATE YOUR OLD BOOK to help a child get a shot at better learning.

STEVE SWINBURNE
AUTHOR VISIT
21-22 MARCH

Steve Swinburne was born in London, England. When he was 8, he left England with his family and sailed as the Queen Elizabeth to New York City. Steve holds a bachelor of arts degree in biology and English from Castleton State College, VT. He has worked as ranger in a number of national parks.
U13 Girls Basketball KLISS League

On Thursday Tenby hosted the KLISS U13 Girls Basketball Competition. Our girls got off to a great start by winning their opening game against Help. Next up was BSKL. In the first half the girls' confidence grew and they were able to score three baskets without conceding - giving them a 6-0 lead. Unfortunately for the last five minutes of the second period the rules change to full court press. This allowed BSKL to use a more aggressive approach in our defending half and we quickly squandered our lead. Some inexperienced passes lead to our lead being overturned and BSKL quickly taking the lead. The ball rarely left our defensive half and the girls ended up losing 10/6. Lessons to be learned in the use of full court press.

Our final game was against Taylor's who had matched our results. They took an early lead but then our girls dug deep and kicked into action. Some excellent positive drives to the basket and some well taken lay ups meant that we comfortably won the game finishing second overall.

Some brilliant performances by individuals. Some lovely team play and all round progress being made. We will work on the full court press and who knows.... Next time we may bring the trophy away with us.

U13 Final Boys Basketball KLISS League

Hard luck to our U13 Boys team who lost their semi-final against a very strong KTJ team last Thursday. The U13 Boys suffered two early disappointing defeats but finished the second half of their season strongly by getting three wins and also playing impressive basketball against HELP in their final game. Up until the final two minutes they were leading but sadly lost 17-19, giving them fourth place overall.

Secondary KLISS Athletic Day

KLISS 2016 was held on the 5th of March at NEXUS International School from 08:00 - 13:00hrs. The event was organized by NEXUS

Congratulations to all the students in the Tenby Track and Field Team who competed in the KLISS Athletics Competition on Saturday 5th March 2016, against a field of ten other International Schools. Many of our students won gold, silver, and bronze on the day, a wonderful result achieved!

A special thank you to all PE Staff for their support in preparing the school teams and to all parents for their support on that day.
Our teams enjoyed a hugely successful day at the ISAC Finals Badminton Competition on Sunday 6th March 2016. In the morning, the boys and girls teams reigned supreme on the badminton courts to win the gold and bronze. The girls team won two games and lost two of the four games of five sets played on their way to winning bronze - a fantastic effort considering two of those lost were in the final set 2-3 each! The boys team won five out of five of their games to claim the gold and U18 Division 1 ISAC Champions.

Coach Gan said ‘From start to finish the whole team gave everything. It was a great team performance, and the quality of play was excellent’.

The medals were presented by Mr. Auster. Well done to all of the pupils that attended - it was clear to see the practice they have had in school had paid off.

Thank you Mr. Kenny for successful organizing and Coach Gan for preparing the team. Huge work has been done to make it happen.

Next Fixtures:

Saturday 12th March, U15 Boys Basketball KLISS @ IGB
Saturday 19th March, KLISS Primary Athletics’ Day @ IGB
Wednesday 23rd March, U15 Boys Basketball KLISS Final @ Tenby
Wednesday 23rd March, U15 Girls Basketball KLISS Final @ IGB

📅 Wednesday, 16th March 2016 at 12:15hrs (during lunch time) there will be tennis trials for MSSD tennis tournament. Attire – PE kit, sports shoes and tennis racquet.
Glad to inform that Allycia has **won** Champion for the following tournaments:

**Tournament**: Sportexcel Premier Elite - 1st Leg  
**Course**: A'Farmosa  
**Date**: 04/03/16 - 06/03/16  
**Category**: Girls 13-14  
**Position**: Champion
Summer Production - Grease

Tenby MADD (Music And Drama Department) is pleased to announce that the summer production of ‘Grease - The Musical’ has now been cast. If your child is involved they should have taken home a commitment letter stating all of the important dates for your diary. The dates are:

Wednesday 25th May 15:00 – 20:00hrs - Rehearsal
10th - 11th June (Friday 14:30hrs - Saturday 16:00hrs) - Rehearsal Sleep Over
Wednesday 15th June 15:00 – 20:00hrs - Rehearsal
Saturday 25th June 10:00 – 16:00hrs - Weekend rehearsal
Saturday 2nd July 10:00 – 16:00hrs - Technical Rehearsal
Sunday 3rd July 09:00 - 16:00hrs - Dress Rehearsal
Monday & Tuesday - 4th & 5th July 18:30hrs – Performance Dates

As the rehearsal schedule is very tight, it is important that your child attends every rehearsal. If more than THREE rehearsals are missed (including Monday & Thursday CCA times and extra lunchtime practices) then they will not be allowed to participate in the production.

Thank you for your support and I look forward to seeing you at the performance in July!

Costume Recall
If your child has been involved in any of the productions of the past three years in Tenby and has borrowed any costumes or props, please could you return them to the Drama Department ASAP.
