Message from the Principal

Dear Parents,

Thank you for reading this Newsletter.

**A’level and IGCSE Examinations**
There has been an air of calm, and focus these last few weeks as Tenby pupils have faced the challenge of external Cambridge Examinations. The final few exams are soon to be taken. Good luck pupils, thank you Staff for invigilating, and thank you to Mr. Bala for co-ordinating this significant and complex operation as Tenby’s Examination Officer.

**Awards’ Evening for Year 11 – 13: Thursday 18th June, 2015 19:00hrs in The Auditorium**
The School looks forward to celebrating the successes of senior pupils on this occasion, at which the Guest Speaker will be the new British High Commissioner for Malaysia, Vicki Treadwell.

**More Sporting successes**
Please refer to other sections of the Newsletter for more sporting successes. There is a MSSM Tennis Tournament today at University Petronas, Ipoh; good luck to the School’s representatives from TIS Under 12, Mika Nair and SST Under 15, Muhammad Zhareef Bin Zaidan. The MSSM Golf Tournament takes place at Jawi Gold Resort, Penang this weekend; good luck to Feirish Nor Bin Fedal Nor who competes in the Under 12 Category.

**Inaugural Association of International Malaysian Schools (AIMS) 2015 Music Competition 24th May, 2015**
Congratulations to Katrina Chair from SST, who played the harp, and was placed first in a competition of the highest standard, and is now AIMS Young Musician of the year.

**Model United Nations Conference and Special Olympics: 13th & 14th June, 2015**
The school is very proud to host a Weekend MUN Conference; 60 representatives from the School and 50 external students will be participating.

On the 13th June the School will also host a Special Olympics Leaving Ceremony and Football Match, before the athletes head for the KLIA airport en route to Los Angeles for the 2015 Special Olympics Festival.

**Queen Elizabeth II Birthday Party hosted by the British High Commission in Kuala Lumpur: Thursday 11th June, 2015**
The School’s Music Department have been invited to provide musical entertainment at this special Reception. There will be also be an Art Exhibition of pupils’ work from International Schools, at which Tenby SEP (KL)’s Art Department will be well represented.

**Sports Day at Panasonic Sports Complex: Tuesday 16th June, 2015**
The School looks forward to a great day of sporting endeavour.
Midsummer Night's Dream: Production week beginning Monday 29th June, 2015
Good luck to all cast, staff, and producers who are busy preparing for the School Play performances.

Summer Gala Concert: Sunday 12th July, 2015 16:00hrs SST Std 5 and TIS Year 5 children
Tickets are on sale for this Concert at the end of Term from Mandy Cheong in the administration office. Please note space in the Auditorium is limited, and parents of performing children will be given the first option to reserve/ purchase tickets.

Lollipops…
Following a suggestion at a recent Parents’ Association Meeting it was suggested that the Security Guards at the Primary crossing by the swimming pool would be more distinctive with a ‘lollipop’ sign. Thank you to the PA for the suggestion, and thank you to the Guards for operating the crossing so safely.

As can be seen by the information above, and elsewhere in this Newsletter, June is a very busy month for the School.
Thank you to all parents for your great support of the School.

Kind regards,

Andrew Auster
Campus Principal
Message from Tom Robinson, Deputy Head Pastoral

Tenby (SEP) KL is embarking on a partnership with the Special Olympics Asia Pacific. This great organisation provides opportunities for students and adults with intellectual challenges to take part in sports. During the recent holiday we were lucky enough to be invited by Special Olympics Asia Pacific to watch a coaching session run by the visiting Tottenham Hotspur Football Club. A great morning was had by the Special Olympics students and by us! The coaches and players were very friendly and it was a real privilege to be involved. Some of the Special Olympics athletes were due to play a game of football at Tenby (SEP) this week but unfortunately now is rescheduled for next term. However, we are hosting a send-off for the Special Olympic Team who are heading to Los Angeles to take part in the Special Olympics Games. This send-off will take place on Saturday 13.06.2015. If anyone is interested to find out more then please contact Mr. Robinson at trobinson@tenby.edu.my

Also, the school has now transferred RM 50,000 to UNICEF to aid the children in Nepal. Further to that RM 10,000 each has gone to SUKA Society, WWF, the Women’s Aid Organisation and Furry Friends Farm. All have expressed their gratitude to the whole Tenby Community for their generosity. The rest of the funds raised will be held in case of further needs of charity throughout the year.

A huge thank you to everyone who contributed in what was a great week.
**TIS Primary**

**International Peace Week**
Many thanks to the large number of parents who attended Thursday’s PIM regarding the changes to International Week this year. It was lovely to see the ideas already flowing and we are sure with your creativity and energy, this year’s event will be better than ever. As mentioned, Year Leaders will be writing to parents in the coming days to ask for more specific help.

**Early Years Special Visitors**
The Early Years children had some very special visitors during their Exit Point for the IPC topic, ‘Going Places’. Everyone was in emergency mode as the sirens from the police vehicles filled the air. The Reception children were very fortunate to have the police department pay us a visit and talk about how important their jobs are and how they get to places using different modes of transportation. The children were very lucky to explore the police vehicles.
**TIS Secondary**

**Upcoming Parent Workshop**

Parents of Year 7 & 8 were sent a letter about the upcoming Parent Workshop on Thursday 25.06.2015. This workshop will take place at 16:30hrs in the Sixth Form Centre in DG01 and will last for approximately 60 minutes.

The session will be interactive, engaging and hopefully fun. The main objective is to provide a useful insight to parents into understanding progress and assessment policies and procedures of the school.

Areas covered will include target setting, success criteria and current working grades.

The workshop will be based on a first come first served basis however we will anticipate enough for 60 parents.

For enquiries, please email Ms. Darshini at darshini@tenby.edu.my

School blazer measurement for those who have paid is now rescheduled to Tuesday 09.06.2015 at 10:30hrs. Students will be called when it is their turn.

**SP Setia's World Environment Day Event at Tenby**

All students from Std 2, Std 4 and Std 5 will be involved in the above event on Wednesday 10.06.2015 from 10:00hrs – 12:30hrs in the Auditorium and our 5 Senses Garden. The event will begin with an interactive talk in the Auditorium and an outdoor workshop in the Garden in conjunction with World Environment Day 2015.
The workshop will be conducted in two mixed groups of children under the guidance of their teachers and staff from SP Setia. All these children are very excited and they are looking forward to this event. They will be provided with individual pot, soil, trowel and gloves. These participating children are to bring along their PE attire and cap in the morning to change before the event.

**Secondary Language Week (English)**
This Academic Week was held during the week beginning Monday 11.05.2015. The table below shows the activities carried out for each level. Congratulations to all winners from all levels.

<table>

<tr>
<td>12.05.2015</td>
<td>Drama Competition (Rumpelstiltskin) Form 2</td>
<td>- Enable students to explore emotions, attitudes, opinions and relationships and accommodate these abstract concepts more readily by representing them in a dramatic and more concrete form</td>
<td>1. Simon Looi (F2S)</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>2. Huey Huey (F2M)</td>
</tr>
<tr>
<td>14.05.2015</td>
<td>Public Speaking Competition Form 3</td>
<td>- Overcome self-consciousness and physical tension when speaking</td>
<td>1. Peik Xin (F3M)</td>
</tr>
<tr>
<td></td>
<td></td>
<td>- Understand the communication process as it pertains to public speaking</td>
<td>2. Asthajothi (F3M)</td>
</tr>
<tr>
<td></td>
<td></td>
<td>- Develop good listening habits in a wide variety of speech situations</td>
<td>3. Li Yan (F3S)</td>
</tr>
<tr>
<td>14.05.2015</td>
<td>Drama Competition Form 4</td>
<td>- Enable students to explore emotions, attitudes, opinions and relationships and accommodate these abstract concepts more readily by representing them in a dramatic and more concrete form</td>
<td>Whole Class (Group 2)</td>
</tr>
<tr>
<td>15.05.2015</td>
<td>Poem Recital Form 5</td>
<td>- Awareness of deeper meaning and understanding</td>
<td>1. NamitaSon (F5S)</td>
</tr>
<tr>
<td></td>
<td></td>
<td>- Raise confidence and improve presentation skills</td>
<td>2. Natalie Liew (F5S)</td>
</tr>
<tr>
<td></td>
<td></td>
<td>- To give cultural awareness</td>
<td>3. Yook Leng (F5S)</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td>4. JiaZheng (F5S)</td>
</tr>
</tbody>
</table>

Students had a great exposure to explore emotions, opinions and relationships, hence to accommodate these abstract concepts more readily by representing them in a more concrete form. A few students managed to overcome self-consciousness and physical tension when speaking. Moreover, the activities were themed according to their literature component, thus leading to deeper understanding of poetic devices. The presentation of book vouchers as prizes and certificates will be held during the coming assembly slot.
Round 2 Primary General Knowledge Quiz

The second round of SST’s Primary General Knowledge Quiz was held on Monday 01.06.2015 during the assembly time. This time the three representatives from Std 2S who were the winners of the first round competed with the three representatives from Std 1S students. Each team member had to choose a question category out of six categories such as Mathematics, Science, Malaysia, Geography, Sports and Games and Others. Each member of the team answered two questions. They were given 1 minute to answer each question. It was a tough competition between both classes. However, Std 2S won the competition and became the winner by gaining 9 points. Std 1S scored 6 points. For Round 3, the competition will be between Std 3M and 3S students and it will be on Monday 08.06.2015. Congratulations to Brandon, Qi Wen and Colin for being the winners of this round of oral quiz and to our youngest contestants of Std 1S, Shritika, Gabriel and Lie-Ran for their good attempt.
Form 2 Science Cooking Lesson (Reported by Anis & Huey Huey, F2M)

Form 2 students had a lesson on science about balanced diet. The objective of the activity is to eat healthily. The students in each class were divided into groups, working on designing a meal that consider inclusion of the seven classes of food in the right amount following the guide using the food pyramid that they have learned in the Science lesson.

On the day of presentation, students were required to set their table, serving their meal while presenting to their fellow friends regarding the proper eating manners, facts about cultural sensitivity in relation with the food, as well as the consideration of serving the food to the needy and underprivileged. All the information and the menu was presented in a brochure prepared by the group members.

After the groups’ presentation and feedback, the students shared their healthy meals with everyone in the class. Everyone was proud with their own homemade meal and enjoyed their time during this activity. After this lesson, we also know that boys can be a good cook too! Form 2 students had a great time and they were excited looking forward to more fun science activities in the future.

“Space Explorers” Workshop conducted by Science Bridge Academy

Twenty-two enthusiastic students from Primary Years 4-6 participated in an Environmental Science and Microbiology Workshop themed “Space Explorers” on Wednesday 22.04.2015 and Thursday 23.04.2015 from 12:20hrs - 14:20hrs for both days. The storyline was set in the year 3000 where students were playing the role of scientists who were responsible to determine the suitability of a newfound planet for human habitation.

Students were taught about the importance of water, and water quality, which included testing for pH. This was then followed by an introduction to microbiology, where students learned about the different classifications of microorganisms, and learned how to culture bacteria. Students observed the differences in bacteria colonies as a result of clean and dirty fingerprints! They also learned the technique of gram staining, which is normally taught at university level. Finally, this workshop would not have been complete without some content about space, and the students were tested on their knowledge of our solar system.
2015 Primary Junior Personal Leadership Programme

This programme was carried out on Wednesday 20.05.2015 for 47 Std 1-4 students in school where some Std 4 had not participated in any leadership programme before. It started at 08:00hrs and continued on with break times in between till 16:00hrs. Leadership isn't just about taking charge of a team and barking out orders. Nor is it solely about influencing the people around you. Ultimately, leadership is about self-mastery. Learning to control your emotional and mental prowess is vital to become a leader.

For our junior leaders, self-mastery is practised through one place they know best outside of home - school. Tenby is less about scoring good grades and more about developing children as they pursue good grades. Through the process of school, children learn patience, strategy, control, planning and other vital skills a leader possesses. During the personal leadership series, these elements were brought out to the forefront and allow the children to experience first-hand the importance and power of these skills.

Our junior leaders had an awesome time as they discovered their innate learning types (visual, auditory or kinaesthetic) and how to use it to their advantage both in learning and leading. Parents can even accelerate their learning process by reading the ‘Note to Parents’ section within the programme notes.

The junior leaders also explored and understood the importance of strategy. With lots of play-acting and critical thinking, the children learned useful strategies which allows them to get a head start in school.

One such strategy they have learned is a simple yet powerful memory strategy which allows them to remember 10 unrelated objects in a short period of time. The junior leaders surprised themselves with their capabilities and emerged as more confident and creative leaders, students and children.

The best leaders are the ones who have humility and gratitude. These leaders are able to influence people greatly. Our Junior Leaders wrote a note to both their teachers and parents, which led to big hugs from the teachers facilitating the event. A great way to end the session!
2015 Primary Senior Personal Leadership Programme

This programme was carried for twenty-nine Std 4-6 students on Thursday 21.05.2015 from 08:00hrs – 16:00hrs in school.

When the majority of participants in any workshop are recurring ones, you know you’ve a great day ahead. Nearly the entire cohort of Senior Leaders were past participants of 2013 and 2014. It was wonderful to see the confidence and joyful faces of the students who joined us yet again for this session.

The programme went off with a rousing start, as our Senior Leaders were already ‘in tune’ to the expectations and demands of the workshop. They knew they were in for a full day of fun, excitement and growth.

This year’s programme is vastly different from the past 2 years, with greater focus on academics. The most important part about being a leader, is not about taking charge of other people, but taking charge of yourself. This is perhaps the most important lesson our Senior Leaders could take away.

The leaders were introduced to a new term called ‘State’. Made popular by Tony Robbins, one of the best performance coaches in the world, state is the type and amount of emotional energy that we possess. With proper control of our state, we will be able to exert greater control over our results. Our Senior Leaders had lots of fun learning and experiencing the different types of state through our 5 senses, our body movements, our words and our friends.

We also learned how to better manage our resources strategically. Time management is an essential skill any person should have. The leaders had a taste of the importance of time, and emerged with greater confidence on how they have been spending their time as well as how to manage it.

They also identified the three different types of people to enable them to move forward faster in their lives. With these names written down, our Senior Leaders have pledged to work closely with these groups of people to give themselves accelerated success in their school and life. With these skillsets, our children are better equipped to emerge as leaders in the brave new world.

Medical Team

The second dose Human Papillomavirus vaccination (HPV) for prevention of cervical cancer is schedule to be given in school on Monday 15.06.2015. If your daughter is signed up for this vaccination please make sure she in in school on that day. Missing out the second dose will not ensure protection. If you have any queries do contact the nurses in school.
PE Department News

Badminton:
While most of us had a lie in on the first day of the holiday the U15 and U13 badminton teams, together with Ms. Laura, Mr. Jon, Mr. Kenny and Ms. Janice and Head Coach Mrs. Gan, competed at the secondary KLISS badminton tournament at Taylor’s International School.

Some fantastic results for the singles and doubles players throughout the day. Our U15 students dominated every game playing a very high standard of badminton. The U15 team won the gold and our U13 team came in a close second, collecting the silver trophy.

Secondary Sports Day:
Sports Days are fast approaching. Training is well underway and students have signed up for events.

General reminders:
- All students are expected to attend and take part in the event. Students are requested to register at 07:40hrs. The event will commence at 08:00hrs.
- Training continues on the following days for all students:
  - Tuesday 14:40hrs – 15:40hrs
  - Friday 12:20hrs – 13:00hrs

There will also be opportunities for students to train with their own House at lunchtimes during the two weeks prior to sports day:

- Tuesday  Falcons
- Wednesday  Dragons
- Thursday  Tigers
- Friday  Phoenix

It will be a fantastic occasion and we look forward to the competition to see which House will be crowned Tenby Sports Day Champions 2015.

Further information has been provided in the form of a parent letter that has been sent home with students.

#TenbySportsDay Selfie Competition

For a chance to win a prize, tweet the PE department a selfie @Tenby_Sport
See the posters around school for the details.
Primary sports days

Letters have been sent to parents with information regarding primary sports days. Each morning of activity and fun will be held here on the field at Tenby Schools. Parents are invited to come and support and enjoy the occasion.

We are aware and apologise that the primary sports day falls during Ramadan this year. Unfortunately we have been limited with the dates due to our field being out of action whilst it was under improvement. As a result we did consider cancelling sports day for this year. However, we have decided to go ahead with the dates and have tried to accommodate those students that will want to participate but we know will be fasting at this time. We have provided lower intensity events to appeal to those students that wish to be actively involved. We also appreciate those students that would prefer not to participate this time. Those students if they wish, can sign up to assist with the scoring, measuring and timing of events so they are included in the morning’s activities.

Students will sign up for events to represent their House in their first PE lesson after the half term break.

Training continues on the following days and students will have a chance to practice in their lessons too.

Cricket:
Mr. Jon will be taking a team to Garden International School for the tournament on Saturday. Our first representative team at a cricket tournament this year. Good luck to the Year 6 students!

Success at Nexus Triathlon:
Angie and Edward competed in their first triathlon at Nexus International School organized by Live More Events. They both finished strong and enjoyed the event thoroughly. Edward said his best discipline was the bike! Let’s hope they both follow the successes of World Triathlon Champion Alistair Brownlee!

Library

HELP WANTED
The Library is in need of Parent volunteers. If you are interested, kindly see Ruth our Teacher Librarian or email her at ruth.silva@tenby.edu.my

Scholastic Book Collection
The Scholastic Book Collection Day is on Friday 05.06.2015. Scholastic Representatives will take charge of the collection. Orders can be collected at the Secondary Cafeteria just below the library from 10:30hrs to 16:00hrs. Parents may collect after school hours. Teachers and students are advised to collect on the said time.

A day at Tenby Library
By Fiona Priscilla Dayle

A room filled with books and magazines of all genres, silence in the air, children reading others linger in the cool escaping from the outdoor heat. For me, it is the fulfilment of giving some of my time to the expanding library. Although some task seem mundane from wrapping books, cataloging to shelving, it is the joy of seeing children loving to read and surrounded by books as an avid reader which encourages me to volunteer here. I’m leaving the legacy for my children and grandchildren who will continue their education here whom can proudly boast that I was a devout volunteer at Tenby! So, dear Tenby families, drop by the library or get in touch with our librarians and commit a little of your time to assist in this library for the future of our children, building knowledge and intellectual exploration!
Photography Club

Photography Week 2015
This year’s Photography Week took place from Monday 11.05.2015 - Friday 15.05.2015 with the photo exhibition held throughout the week in EPC. The big day ‘Photo Fair’ was held on Tuesday 12.05.2015 at 14:30hrs - 16:30hrs in the EPC. Despite the rain all the events went on as planned. It started with a big group SELFIE Photo, Photo Hunt, booths – Fotokem and FamGlam Studios, refreshment break, two inspiring talks by the PROs – Mr. Patrick Low and Mr. Victor Tong and finally prize giving session for the Photo Competition and Photo Hunt winners. The Executive Committee (EXCO) – Raegel 10B, Zong Sheng F3S, Kye-Li 9N of Photography Club was rewarded for their outstanding commitment to the school. The top event photographer of the year was awarded to Amanda 8Y for covering seven events and producing high quality shots.

The photo completion was commented and judged by the professional photographers during the fair. Congratulations to all the winners and thank you to all participants!

Tenby Parents’ Association

Sale of F&B Coupons for Senior Sports Day 2015
We are pleased to inform that TIS Parents Association (PA) will be supporting students of Tenby Schools, at the Senior Sports Day 2015 on Tuesday 16.06.2015 at Panasonic Sport Complex by setting up a F&B stall to keep our student's energy levels strong throughout the day.

The operation hours of the stall will be from: 08:30hrs-12:30hrs.

Food and Drinks
- Payment is by way of coupons only. The sale of these coupons is to ensure that cash is kept to a minimum on the day.
- Booklets of five x RM 2 coupon will be made available for purchase at school prior to the event.

Lunch Boxes
We have sourced a variety of lunch options the students would like to have. The lunch boxes will cost between RM10 -12 each. In order for us to order the right quantity of lunch boxes, we will be taking orders through the sale of lunch box coupons.
These coupons are to be used to collect the lunch box on Sports Day, between 11:30hrs - 12:30hrs. Please note that lunch boxes cannot be purchased on the day with cash. They must be pre-ordered by purchasing a coupon.

COUPONS will be available for purchase at the secondary cafeteria during the school lunch hour on the following days:
- Wednesday 03.06.2015,
- Friday 05.06.2015,
- Tuesday 09.05.2015 and
- Friday 12.06.2015 only.

Addition: Good news! Our Korean Parents' Association (KPA) will be joining us with their lunch box and snack options as well. They will be joining us in selling their coupons on the schedule stated above.

Do take note that this F&B set-up is in addition to other third-party food & beverages vendors which may be available at the Sports Complex. Students are also free to bring along their own packed food & beverages.

Note:
Any profit raised from this initiative will go into the TIS PA & KPA fund respectively. TIS PA fund has thus far been mainly utilised to provide for refreshments during the PA Coffee Mornings.

Tenby Korean Parents’ Association (KPA) is an information organisation consisting of Korean mothers who have children attending TIS. Their participation in setting up the stall is not a fund raising initiative but merely to provide support to the students of the school. If any profits are generated they will be deposited into their charity fund.

Parent Volunteer
We warmly welcome parents to help out at the F&B stall whilst enjoying a cup of coffee with us. If you are interested, please contact us at: tenbysep.pa@gmail.com

We wish everyone a Happy Sports Day and look forward to an exciting and eventful day!

Warm regards,
The Committee
TIS Parents' Association
