

Rebate for new students joining Tenby Schools Penang

Firstly, we would like to say a big thank you to the community and parents in our ever growing school. Our word of mouth admissions rate has increased dramatically in the past 18 months. The school has been growing at an amazing rate, all thanks to the good word you have put in and to help spread among the community.

As part of the initiative to push the growth further, the International Schools Partnership (ISP) has decided to give a rebate on the registration fees for students who register and are successfully enrolled into the school between 1st April to 31st August 2018.

The rebate is open for new students joining either International or National school. Regardless of the term applied for, as long as you are one of the first 50 to complete all fees payments (Registration, Deposit & Term fees), the registration fee will be rebated in the form of a discount on your next school fee. Amount rebated will depend on registration fees of the school applied for.

If the initiative is well received, we might even increase the number of students that will be given the rebate! Tell everyone you know about this, and together we will ensure the school continues growing to reach new heights! #choosetenby

Terms & Conditions of the rebate

- Only successful applications are entitled to the rebate.
- Success of application is based on student's assessment & interview results.
- Rebate is open for first 50 students that complete all fees payments within the promotion period, on a first come-first serve basis.
- Rebate amount is equal to the registration fees of school applied for.
